David Willett buys 5-paper chain from Panax

EAST LANSING—Panax today announced the sale of Associated Newspapers, a group of community newspapers in western Wayne County, to a newly-formed company, Associated Newspapers, Inc.

The announcement was made jointly by Panax President John P. McGoff and by David J. Willett, of Wayne, president of Associated Newspapers, Inc.

The sale of the Wayne Eagle, Westland Eagle, Canton Eagle,

Romulus Roman and Belleville Enterprise is effective immediately.

Willett, a native of the Wayne area, is returning to newspapers which at one time were co-published by his late father, Wesley Willett.

"A good community newspaper is a reflection of a good community," Willett said. "Associated serves good communities. Our newspapers will be a reflection of that."

"It is very satisfying to once again be working in the area that my

family has lived in for so many years," he said. "Coming back to Associated Newspapers is like coming home for me and I'm looking forward to the future."

McGoff said, "Panax has had a rewarding relationship with the readers of the Associated Newspapers. We are pleased that the new owner has a long history in the area and knows the communities served so well. We are confident the Associated Newspapers are in good hands."

Willett, an account executive with the Detroit Free Press in its financial advertising department, has lived in Wayne for many years and was graduated from Wayne High School. He was general manager of the newspapers when Panax purchased them in 1969. He had begun working at the newspapers at the age of 14.

Willett is active in the Wayne United Methodist Church, Rotary, Toastmasters International and other community organizations.

Panax Executive Vice-President Frank Shepherd said the sale "is in line with our long range goals for Panax. We feel very fortunate to be able to turn over management of Associated Newspapers to Dave Willett, a native of the area who will serve it very well."

Shepherd said that General Manager John Tarrant and Editor Bob Cochrane will remain with the organization to help it through the transition period after which they will be reassigned by Panax Corp.

\$750,000 deficit is questioned

Mayor says hassle is 'political'

Council rejects recommendation to increase water, sewer rates

BY JIM BRADLEY
Roman Staff Writer

The battle over water and sewer rates continues hot and heavy between Romulus Mayor James Stewart and the City Council and it appears that the city is winding up the big loser in the dispute.

A special meeting was called last Thursday evening in the council chambers to study the water and sewer amendment and to hear a report from an auditor the council had hired to audit the city's books.

John Burt, a certified public accountant with the firm of Iccerman, Johnson and Hoffman, stressed the urgent need to raise the water and sewer rates.

"Romulus lost \$750,000 during the last fiscal year," Burt said, in addressing the council, which had authorized spending \$19,500 for the six-week audit by Burt's firm.

"You're in a very serious situation," Burt told the city's legislative body. "I urge you to raise the water and sewer rates immediately to a \$5.50 flat rate."

"The council questioned Burt's report in several areas and finally chose not to accept the CPA's recommendation after almost two hours of questioning."

City Attorney Robert Reese expressed amazement after the meeting that the council refused to accept Burt's audited figures that a water and sewer rate increase was absolutely necessary.

"I know a little about accounting myself, and I wouldn't question Mr. Burt's figures the way the council did, and they're the ones that hired him and his firm," Reese said, shaking his head.

The crux of the dispute between the Mayor and Council is labeled "strictly political" by Stewart and some city employees.

"We've brought this before the council time and time again and this has been dragging on for months and months," Stewart said at the meeting. "We're buying water for more than we're selling it for - it's as simple as that. We're bound to go into the red that way. That's not the entire reason for the \$750,000 deficit, but it's a big share."

Stewart said he felt the hassle over the water and sewer rates was a "smokescreen" to discredit his administration and make it a political issue.

However, members of city council feel they have some legitimate questions about the financial reports. Especially put under the searchlight was the increase of some \$100,000 in salaries and wages in the water and sewer Department the past fiscal year.

Councilman William Oakley said: "I think there's an explanation due where the increase of \$100,000 went for salaries and wages from 1975 to 1976."

Oakley also was concerned about how much water and sewer costs will be next year before increasing the rates, although his later motion to raise water and sewer rates to \$5.50 was defeated by a 4-2 count.

Councilman Bob Martin sported the motion, but Councilmembers Jimmy Raspberry, Gerry Canejo, Beverly McAnally and Joan Lee dissented.

After Mike Herman, director of water and sewer billing, and Burt had given their reports and been questioned by the council, Mrs. Lee

asked: "When are we going to get down to the purpose of this meeting, which is to study the water and sewer ordinance?"

Raspberry then asked the reason for the \$750,000 deficit.

"What causes our big loss? Is it mismanagement of the finances and not closing loopholes? It's as important to find where the money went as it is to raise adequate rates for water and sewer."

The question that concerned the entire council was where the money was going. But even though Burt assured them his audit was thorough and complete and everything was in order, the council still rejected his recommendation to implement the needed rate increase.

Burt explained that if the rates remain the same as now, another \$750,000 deficit will be on the books by June 30, 1977.

Romulus City Auditor Larry Moore and Finance Director Helen Gallien refuted charges that there was a lack of communication between the administration and city council.

Moore, who handed out detailed reports Thursday night showing every water and sewer increase from Detroit since 1967, and the council's subsequent actions, reported rates have increased 264 percent the past nine years.

"I believe everyone on the council knows we need the money requested by the Finance Department and authenticated by Mr. Burt's figures," Moore said. "I feel they have some honest questions about the figures, but the auditing firm has thoroughly studied the books and says we need higher water and sewer rates. There's just no questioning that at all."

"The rates need to be raised immediately, as well as the water and sewer ordinance being amended or changed," he said.

Martin said: "I don't feel that firm figures have been explained where the money is going."

Mrs. McAnally added: "We're crying about fees. We're paying an attorney money to draft a water and sewer ordinance."

Mayor Stewart interjected at this point: "Administration engaged him for his counsel and opinion, not to write an ordinance."

Mrs. McAnally, who spoke seldom during the meeting, said tap-in costs should be raised, a measure that Mayor Stewart and some others feel would keep industry from building in Romulus.

"New tap-ins should be raised to reflect the cost to the city," Mrs. McAnally said. She was the only council member to vote against amending the rates when the first reading was held on Aug. 19, but two weeks later, she was joined by Martin, Raspberry, Lee and Canejo Oakley and Fred Block voted for the rate increase both times.

Mrs. Lee, who exchanged sarcastic remarks with Mayor Stewart during the course of the evening, felt the purpose of the meeting was to discuss the water and sewer ordinance.

"We met several times and all you people (directing her remarks to the finance department and department of public works officials) wanted to do was talk about a 99-percent increase," she also said that Romulus didn't have the highest tap-in rates around, that Westland's were higher.

However, Moore said Westland figured their rates on a different basis than Romulus.

After hearing testimony from Burt, Moore and Herman for almost two hours, City Clerk Leonard Folmar addressed himself

to council. "It is a problem of all of us (to find the answer to the financial needs of the water and sewer department). When we agree to accept these positions, I believe we agree to resolve this matter."

Oakley then moved that the council adopt the \$5.50 rate recommended by Burt. He received support from Martin, but Raspberry, Canejo, McAnally and Lee voted against the motion.

"I don't want any blame put on the administration," Stewart told the council. "We can only advise, we can't pass it for you."

Is Romulus 'breaking law' by not meeting utility costs?

Is the Romulus City Council breaking the law by not raising the water and sewer rates high enough to cover the cost of running that department?

"They are not in compliance with the charter of the City of Romulus," answered City Attorney Robert Reese.

"Then they are in violation of the law which says they cannot deficit spend, is that correct?" asked a reporter.

"Yes, I guess you could say they were 'breaking the law' by not complying with the charter that says rates and charges must be fixed to meet the costs of such utility," Reese admitted.

Reese said money could be taken from the general fund of the budget to pay for the water and sewer expenses which will reflect a \$750,000 loss by June 30, 1977, the end of the fiscal year.

But, according to Mayor James Stewart and finance department officials, the general fund is running short and cannot make up the huge deficit incurred by the low water and sewer rates.

Section 15.6 of the Romulus City Charter reads: "The rates and charges for any municipal public utility including the furnishing of water, sewer, light, heat, power or gas shall be so fixed as to meet the costs of such utility."

It is this section that Reese contends the council is not in compliance.

Michael Herman, director of water and sewer billing, contacted two state agencies recently to determine the city's liability as the situation now stands. After questioning the Local Audit Division of the State of Michigan concerning the continuing deficit, he was told that the state could take no

affirmative action to force the Romulus City Council to do anything as long as bond payments were made on time.

He then was referred to the Municipal Finance Commission where Deputy Director Richard Allen told him if the general fund was depreciated to the extent that borrowing was necessary to supplement the city finances, the state would, at that point, step in and take action.

Allen told Herman the state would order the council to set water and sewer rates at a level capable of making that department self-sufficient.

"Until such time, my department and the department of public services will have to continue operating in the red, or begin a cut-back in city services to the public," Herman told Stewart.

Board mulling more cuts

Winter sports slashed

The Romulus Board of Education, hard-pressed financially due to two recent millage failures, made further drastic slashes at last week's meeting.

In addition to the cuts already made, the board voted to eliminate all winter high school sports and to close buildings at 10 p.m. each day.

The most far-reaching of the cuts will probably be in the sports area.

A meeting was scheduled last night between Romulus High School Principal Joel Carr, basketball coach Jesse Merriweather, other coaches, students, parents and the Board of Education to discuss the situation.

Previously, all junior high school sports were eliminated along with all other extra-curricular activities.

The Board also voted last week to close all school buildings at 10 p.m.,

with charges to be made for anyone using the facility after that time.

Also exempted was use of school buildings on Saturdays, Sundays and holidays.

Further cut-backs in services recommended to the school board by School Supt. James Garfield have been taken under advisement.

The reductions are needed, Garfield said, to produce a balanced budget.

Reports on water rates

The water and sewer hassle is drowning the city in a flood of complaints and a stream of invectives while Romulus is getting in over its head financially by charging rates insufficient to meet its costs. At last Thursday night's special meeting, Mike Herman (left, wearing short sleeve shirt) director of water and sewer billing, makes his report to City Council prior to the city's auditing firm's

recommendation to raise the rates. Seated behind the council desk are (from left) councilmembers Jimmy Raspberry, William Oakley, Gerry Canejo, Beverly McAnally, Joan Lee and Mayor James Stewart. Councilman Fred Block was absent from the meeting and councilman Bob Martin came in shortly after the picture was taken.

During past few weeks

Parties, mock voting involve youngsters

Three Halloween parties and a mock elementary school election were held recently in the Belleville-Romulus area.

Elwell Elementary School in Belleville held its own presidential election headed by the Student Council and its president, Eddie Fletcher.

The students had a 90 percent turnout of voters with Jimmy Carter garnering 180 votes to Gerald Ford's 149 on the Thursday prior to election day.

Third, fourth, fifth and sixth grade students cast their ballots during lunch hour under the direction of council officers Ed Fletcher, president; Robbie Ostrowski, secretary; Mike Stone and Mike Sturtz.

More than 300 residents of the Rawsonville Woods attended the eighth annual Halloween party for teens and children.

On Oct. 29, a large number of teenagers gathered at the clubhouse for a costume dance and Tommy Curcio, Keith Harr and Dan Golder won first prizes for their wild get-ups. Mark Winkler won a second-place prize.

After the costume dance, which provided pizza and pop, the teenagers helped Manager Pat Tish and Ginny Curcio, assistant manager, in planning a children's party for Halloween night.

Each year all residents of the 535-family community are invited to the

clubhouse for coffee, cider, punch and donuts.

The children were judged by age group for the best costumes, given a free bag of candy and invited to join in the annual coin toss in the hay. Judges were residents recruited by Al Quinn, president of Rawsonville Woods Bingo Club and organizer of community card parties.

Several Fonzie, Spidermans, vampires and ghosts and other assorted characters attended the Scout pack 735 October Halloween meeting.

Passing out of awards highlighted the evening. Cubmaster Ray Williams presented leader patches to Dona-Jean Biro, assistant den leader; Dorothy Nesler, den leader; Camille Quick, assistant den leader; Carlene Stark, den leader; Pat Rhodes, assistant den leader, Mary Lang, assistant, den leader, committee and assistant Webelo leader; Phyllis Buell, den leader; Shirley Rakotz, assistant den leader; Ron Lang, Webelo leader; Ray Hood, Webelo leader; Mark Tobin, assistant Webelo Leader; Jean Voight, Committee, Pam Hood, den leader coach; Gail Adomitis, committee chairman; Barbara Lilley, committee, and Dennis Daly, Unit Commissioner.

All new leaders received a universal pin.

Also receiving awards were Cubs Tom Hawkins, bear, one gold and two silver, arrows; Todd Giuliani,

Bear, one gold and one silver arrow; David Biro, Bobcat; Gary Nowakowski, Bobcat; Bradley Gomez, assistant denner rope; Larry Westrick, denner rope; Teddy Holton, assistant denner rope; Patrick Rhodes, Bobcat; Robert Kobylas, Bobcat; David Semanson, denner rope; Barry Caudill, one gold arrow and assistant denner rope; Kenneth Carlson, Bobcat; David Willard, Bobcat; Raymond Williams, Bobcat, and Robbie Rakotz, one gold and two silver arrows.

Webelos No. 1 and No. 2 awards were given out by leaders Ron Lang and Ray Hood to Ronnie Moates, assistant denner rope, Bobcat, aquanaut and athlete; Carl Kuderik, athlete; James Page, aquanaut, artist, athlete, naturalist, outdoorsman, scholar and sportsman and traveler; Raymond Hood, aquanaut, artist and sportsman; Roger Flowers, athlete; Bryan Daly, athlete; Donald Lilley, aquanaut and athlete; Mark Nowakowski, athlete, and Janson Voight, aquanaut, artist and athlete.

Mike Modelski was inducted into Webelo Den No. 2.

Mrs. Jean Voight was given a surprise gift of a charm bracelet for more than two years of service to the pack, and Dennis Daly, former cubmaster and new Unit Commissioner, introduced new cubmaster Ray Williams.

Gail Adomitis, committee chairman, passed out free Halloween candy after Kay Giuliani and Diane Gomez, leaders of Den No. 1, drew the winning tickets for the cake raffle. Webelo Den No. 2 won the attendance award for the month.

Meanwhile in Belleville, Cub Scout Pack 1071 also was judging Halloween costumes and handing out many awards.

Doug Chapman, Doug Potts and J.D. Parr each earned 1-year service stars.

Den mother Dana Fletcher received a 2-year service star and assistant Webelo leader Joe Posegay earned a 4-year service star.

Webelo awards went to Mike Fletcher, artist; David Fowler, 1-year service star, Webelo's colors and books; Peter Dodge, Webelo's colors and book; Jerry Mills, Webelo's colors and book, and Leonard Armstrong, Webelo colors.

Costume winners included Lena Fletcher, Tammy Markle and Cindy Singleton for age 6 and under. Steve Markle, Billy Armstrong and Jerry

Mills took honors in the 6 to 10-year-old division.

In the 10-year-old through teens department, John Chapman, Roger

Udovich and Rick Markle were tops. In the adult category, Fowler, Mel Mills and Don Markle were chosen best in costume.

Refusal of credit barred

Michigan Attorney General Frank J. Kelley has ruled that a woman may not be refused credit for a loan simply because of her marital status.

In a formal opinion, requested by State Rep. Gary Owen (D-22nd District), Kelley said: "The creditworthiness of a married woman is not affected by state property laws. A married woman is responsible for her own obligations regardless of whether they are incurred by purchase of a luxury or a necessity."

Kelley said if the woman is using her own property as collateral, a woman's right to borrow money or buy goods "is not affected by her marital status". He added that anyone who refuses credit to a woman on the basis of her marital status is in violation of the Federal Equal Credit Opportunity Act of 1974 and the 1974 Michigan act prohibiting credit discrimination.

Church to host revival

There will be a 4-day revival meeting at the Full Gospel Church of Belleville, 44649 Michigan Avenue, Canton Township from Thursday through Sunday at 7 p.m. each evening.

Pastor Frank Howard said several spirit-filled preachers will share the pulpit during the evangelistic crusade. Interested persons can call him at 699-9909 for information or transportation.

The church is located a quarter mile east of Belleville Road.

Regional land use plan is step closer

SEMCOG assembly studies proposals

Elected officials will move a step closer to completing a regional land use plan tomorrow, when they study

Patients require drivers

The American Cancer Society county unit of Van Buren Township is in urgent need of volunteer drivers to provide transportation for cancer patients who require therapy at local hospitals.

"Therapy treatments last approximately 45 minutes plus transportation time," said Pauline Ostrowski, chairman for the local group.

"Volunteers may drive as often or as little as they wish and can also select the hospitals most convenient to them."

"I believe this is one of the greatest deeds we can do to help our fellow citizens."

Anyone willing to help in driving cancer patients or for more information may call Mrs. Ostrowski at 697-9585.

several such items at the General Assembly meeting of the Southeast Michigan Council of Governments (SEMCOG).

Delegates from member units of government will examine recent changes in some of the guidelines found in the council's proposed land use plan. The changes are being recommended to the general Assembly by its Executive Committee in order to clarify the intent of specific policies contained in the plan.

Delegates also will review a draft map showing how the council's proposed land use plan would affect land use throughout the seven counties of southeastern Michigan.

Although the General Assembly voted in June to use the text of the land use policy for a number of key council planning activities, the land use policy cannot be considered for adoption until both the map and text are complete.

The land use plan is central to the SEMCOG planning for transportation, water quality and housing. Following additional review by the SEMCOG Council on Regional Development and action by the Executive Committee, the map and plan text is expected to go before the General Assembly in 1977 for an adoption vote.

Delegates attending tomorrow's meeting also will get a first hand account of progress on a related SEMCOG program — development of a water quality management plan

for southeastern Michigan under a \$5.1 million grant from the U.S. Environmental Protection Agency.

As the council approaches the mid-point in the 2-year water quality planning program, SEMCOG Council on Environmental Strategy co-chairmen Richard Cogger, the mayor of Lathrup Village, and Fred

Houghten, an Oakland County commissioner, will discuss progress in nine different areas, including land use mapping to study the effect of land use on water quality, an analysis of point source pollution control programs in the region and recently completed water quality sampling.

The General Assembly meeting, chaired by Conrad Mallett, a Wayne County commissioner, will convene at 7:30 p.m. in the Regency Ballroom of the Hyatt Regency Hotel in Dearborn. The public is invited to attend the meeting.

The Southeast Michigan Council of Governments is a voluntary

association of governmental units in Livingston, Macomb, Monroe, Oakland, St. Clair, Washtenaw and Wayne counties. Its principal function is long-range planning for transportation, recreation and open space, land use, water quality, housing, criminal justice, sewer, water and storm drainage.

Author will participate in story hour, seminar

A graduate of Belleville High School and successful author to two children's Christmas books will return to the area for two appearances Saturday and a 5-hour seminar at Belleville's North Junior High School next Tuesday.

Mrs. Beverly Scott, who has written "Santa's New Suit" and "Christmas in America," will hold a story-hour at Romulus Public Library at 11 a.m. Saturday and one at Belleville's Public Library at 1 p.m. that same day.

Mrs. Scott will autograph copies for those who purchase her books and for those who have copies and bring them in. Respective libraries will benefit from the sale of the books.

The Learning Center Parent Group of Belleville has arranged the seminar for teachers and parents of children age 4 through 12 on Tuesday.

The fee is \$15 for the 5-hour seminar which will run from 3:30 to 6 p.m. and resume again at 7 p.m. and close at 9:30 p.m.

In this seminar, Mrs. Scott will present an inexpensive approach to detecting learning disabilities, remedy of learning disabilities and reaching more of the potential of all students and family members who participate.

Attendance is by reservation only, and interested persons may call Mrs. Dennis Przyup at 697-4868 or Carol Spraga at 699-1810.

This seminar was the first filled to capacity at the Arizona Association for Children with Learning Disabilities Conference held in Scottsdale, Ariz., last May.

Mrs. Scott's credentials include a bachelor of arts degree in elementary and secondary education and commercial arts from the University of Michigan. She

earned a master of arts degree in special education and learning disabilities from Eastern Michigan University.

In addition, she has had teaching

experience in Michigan, Germany, Texas and Arizona, majoring in remedial reading, private tutoring and as a former Early Childhood Consultant for the Arizona State

Department of Education.

Every seminar registrant will receive a free copy of Mrs. Scott's Home-School Guide to Reading Foundation Activities.

p.m. Saturday. The Belleville Community Players starring in the production are Witch Grizelda (Gall Sydney from left), Princess (Laura Haase), Witch Matilda (Maxie Jo Heath) and Alakazam (JoAnn Heath).—ANP photo.

Sumpter planners will meet tonight

Sumpter Township Planning Commission will meet 7:30 tonight, a change for this month only, with the next regular meeting of the commission to be held on Dec. 1.

Also in the area: Airport High School, located at 11270 Grafton Road, Carleton, will hold a Parent-Teacher Conference session from 7:30 a.m. to 12 p.m. and

from 1 to 2 p.m. today.

"Parents will have an opportunity to talk with their son's or daughter's teachers and also get their children's report card," said Counselor Jackie Couzens.

If parents are unable to attend, they are encouraged to call the high school at 654-6205 and talk with the teachers.

Dr. Bartell opens new health center

One of the newer health care facilities in Belleville is the Belleville Chiropractic Life Center, located at 175 Second St. and under the direction of Dr. Joseph E. Bartell.

"Chiropractic care may result in marked improvement and a complete return of health through the scientific removal of nerve interference," Dr. Bartell said.

"The body cures itself despite all the drugs which may be pumped into it."

Dr. Bartell graduated from University of Detroit High School in 1967. He studied at Eastern Michigan University, doing work toward his bachelor of science degree, which he completed at St. Mary's College in O'Fallon, Mo.

He received his chiropractic degree from Logan College of Chesterfield, Mo., in 1975. He also completed post-graduate X-ray study under Dr. Russell Earhart last year.

Dr. Bartell practiced for one year in Puxico, Mo., before locating in Belleville.

DR. JOSEPH BARTELL

In addition to holding licenses to practice chiropractic in Missouri and Pennsylvania, as well as Michigan, he also is a diplomat of the National Chiropractic Association, Michigan Chiropractic Council and the Life Foundation in Atlanta, Ga.

Investigation is called 'bull'

An investigation into alleged "improper" counting in Van Buren's election by a Wayne County Organized Task Force is being treated like "a tempest in a teapot" by at least two township officials.

The Crime Task Force spent three days going over the voting totals and records because of an anonymous phone call, claiming alleged "miscounting".

"I haven't paid any attention to it at all — it's a lot of bull," said

retiring Supervisor Elton Gollwitzer candidly. "You can't go out and hire some 75 people to help work on the election and not expect even one or two unintentional mistakes."

"It's unfortunate there are people, once they lose an election, who seem willing to 'get even'."

Gollwitzer, who finishes up six years as supervisor of Van Buren Township this week, added: "I feel it was someone or someones who lost previous elections, not necessarily

the last one.

"I feel it's someone who's lost an election and wants to add to the present lack of confidence in local government."

Pat Cullin, who will be sworn in as new Supervisor along with the other elected officials at noon Saturday, feels the same way.

"We want to make sure everything is done as absolutely correct as possible, and I believe we

take every precaution to see the election count is completely accurate," she said. "However, I feel there are some who do things to intentionally try and hurt our community. We think we know who made the anonymous phone call that led to the investigation."

Judge Henry Zaberowski of the 34th District Court will swear in the newly-elected officials at Van Buren Township Hall at 12 p.m. this Saturday.

On handicapped individuals

Amputee discusses White House meeting

By PATRICIA HUTCHINGS

Patricia Hutchings, of Westland, an above-the-knee amputee, is active in the Tri-City Therapeutic Recreation Program, Easter Seal Society, and other organizations promoting the interest of handicapped persons. After attending the White House Conference on Handicapped Individuals, she sent us her concerns regarding that conference, and an upcoming state convention for the handicapped.

The White House Conference on Handicapped Individuals was held Oct. 31 and Nov. 1, with 18 counties in Michigan represented.

Approximately 1,000,000 handicappers live within the 18 counties. Fred Howes, of the Vocational Rehabilitation Service told me that approximately 600 handicappers and 300 professional, semi-professional or just interested individuals who deal with the handicapped, attended.

Why out of 1,000,000 were there only a very small minority when in the handicapper's best interests, everyone who could attend, should? Following are some of the reasons why so few attended:

...At the end of the month how many people, handicapped or not, could afford transportation, accommodations, food, and what not.

1. Lack of coverage by the media. This does not include those who were not made aware, and so therefore could not properly report on something so vital.

2. Lack of organizations dealing directly with the handicapped, from the state level on down.

3. The convention was held at the Dearborn Hyatt-Regency. Not bad for the mainstream of handicappers who live on fixed incomes. At the end of the month how many people, handicapped or not, could afford transportation, accommodations, food, and what not.

The convention itself dealt with multiple problems concerning recreation and culture, health insurance, employment, civil rights and enforcing the laws already on the books (but unfortunately few take seriously), and the fact that we need independent housing so we, as handicapped individuals, can live and afford such accommodations, such as that enjoyed by senior citizens.

What will come from the input of the small minority of handicappers who were there? Who knows. We have waited years. Let's hope we do not have to wait indefinitely!

The state convention will be held Sunday through Wednesday at the Kellogg Center in East Lansing. Please, handicappers, attend if you can.

Don't let a minority control the input — make it the majority's input that counts.

Bill could mean aid for shrinking districts

Passage of a bill now pending before the State House of Representatives' Education Committee would mean an additional \$248,913 for several Western Wayne County school districts in the 13th Senatorial District, which have suffered significant enrollment decreases.

Under the bill, which would provide a total of \$2.8 million to qualifying school systems, "quality educational opportunities will be more fully guaranteed for all school children in the state," said State Sen. William Faust (D-13th District), sponsor of the bill.

The measure, already approved by the Senate, would provide

additional funds to school systems in which more than 2 percent less students are enrolled this year as compared with last year.

The bill also would provide additional funds to those districts to help them offset losses in state aid incurred because of enrollment declines, Faust said.

Although some expenses of education decrease with declining enrollment, other overhead costs continue, so in some school districts state aid has dropped below the reduction in education costs, the senator said.

"We cannot afford to let the needs of these financially troubled school districts go unanswered because the future of our school students is at stake," Faust added. "It is imperative we do our utmost to adequately prepare them for careers and jobs ahead with dollars to educate them."

Preliminary enrollment figures released by the Wayne County

Intermediate School District show that seven school systems in Faust's district would qualify for funding under the declining enrollment bill. Estimates provided by the Senate Fiscal Agency show that qualifying districts would be reimbursed a pro rata amount of about 163 per student.

Qualifying under the proposed bill, their percentage of enrollment decline and the amount of state reimbursement are the school districts:

- Cherry Hill, 6 percent, \$14,931;
- Dearborn Heights No. 7, 7 percent, \$19,026;
- Garden City, 6 percent, \$42,588;
- Huron, 7 percent, \$18,144;
- Inkster, 7 percent, \$17,703;
- Livonia, 5 percent, \$108,234; and
- Taylor, 2 percent, \$28,287.

The House Education Committee was to have considered the declining enrollment bill in a meeting earlier this week.

Work-study program aids GI Bill students

Western Wayne County veterans, who need financial help to continue fulltime schooling under the GI Bill, may be eligible for

increased benefit payments under the Veterans Administration's work-study program.

VA officials have pointed out that eligible veterans may earn as much as \$625 per semester by working a maximum of 250 hours for the VA under the program.

Selected veterans, enrolled in schools under VA education programs, hold parttime jobs in the agency, and in many cases the jobs relate to or complement the veteran's field of study.

Some veterans in the work-study program assist other former servicemen as members of the VA's Outreach Program, designed to acquaint veterans with various GI Bill benefits.

From the beginning of the work-study program in April 1973, nearly \$27 million has been paid to veteran-student participants.

INTRODUCING A NEW EDUCATIONAL ASSISTANCE PROGRAM.

Starting January 1, 1977, your son or daughter can accumulate up to \$8100 for college or vocational-technical school during just 36 months in the Army.

Under this Educational Assistance Program, they can save from \$50 to \$75 each month, with their savings matched 2 for 1! And that adds up.

FOR EVERY DOLLAR THEY SAVE TOWARD COLLEGE, TWO WILL BE ADDED.

By participating in the new program, a young person gets three dollars back for every dollar saved toward college or vocational-technical school—the dollar saved plus the additional two dollars of matching funds.

If the maximum of \$75 a month is saved (\$2700 over 36 months), \$5400 will be added for a total of \$8100. If the minimum of \$50 a month is saved (\$1800 over 36 months), \$3600 will be added for a total of \$5400.

HOW DO THEY COLLECT?

Assuming your son or daughter has finished the 36-month enlistment in the Army and has deposited, for example, \$75 to the educational fund each month, the \$8100 accumulated under the pro-

gram will be paid in monthly installments of \$225 for each month of college or vocational-technical school completed.

If they decide not to continue schooling after the Army, they get back all the money saved. The matching funds will be paid only if used toward completing up to four years of college or vocational-technical school. The extra \$5400 matching amount becomes a strong incentive for a young person to continue with school.

THEY CAN ALSO GO TO COLLEGE WHILE IN THE ARMY AND WE PAY UP TO 75% OF THE TUITION.

If your son or daughter enlists in today's Army, all kinds of educational opportunities are open for earning college or vocational-technical credits right on post with the Army paying up to 75% of the tuition. Under Project AHEAD, for example, a young person can enlist in the Army and enroll in college or vocational-technical school at the same time. Over 1400 colleges and universities

around the country now participate in Project AHEAD. It's a great chance for a young person to get a jump on the future.

YOUR LOCAL ARMY REPRESENTATIVE IS THE PERSON TO TALK TO NEXT.

This new Educational Assistance Program, along with all of the other educational benefits the Army offers, will help your son or daughter serve their country better as soldiers now, citizens later. There's no better time to start getting that education than now. Your local Army Representative has full details on all the educational and other opportunities for young people in today's Army. Or, if you'd like us to send the information to you, just mail the coupon. Or call 800-431-1976 toll free. In NY, call 800-243-5614.

'It's a girl!'

He tells neighbors:

Donald Kehn of Romulus is so happy about the birth of his first child, that he's sharing his good news with everyone who drives down his street.

Kehn has put a 12-by 8-foot sign on his front lawn, announcing that: "It's a Girl."

His wife, Janice, gave birth to the infant Nov. 8 at Annapolis Hospital in Wayne. The baby was 22 inches

long and weighed 8 lbs.-8 oz. Her name is Diane Marie.

Mother and daughter saw the sign when they came home last week to their Woodmont Street house.

Kehn painted the sign in his basement prior to the blessed event, leaving the sex of the baby blank until the arrival. He painted it over a sign that had been used at a service station where he worked.

First Assembly hosts multi-media program

The First Assembly of God of Belleville will host a multimedia presentation, entitled "To God Be Glory" by Bob and Arlene Bush, at 7 p.m. Sunday.

The presentation deals with the life of Christ and the effects of his design for man and the church.

Mrs. Bush is a creative writer, while her husband is a graduate of the Brooks Institute of Photography. He currently is chief photographer at the Design Center of the Ford Motor Co.

There is no charge for the film, and the public is invited.

Advice to a President: Why not the best?

By DAVID COHEN
President,
Common Cause

In the attached article, Common Cause President David Cohen suggests ways in which President-elect Carter should "take a giant step toward restoring trust in government" as he makes appointments to his new Administration.

As he fills over 2,000 jobs, Carter's challenge is to attract and hold onto talented individuals other than those put forward by traditional special interests.

"It is within the President's power to restore respect for government service," Cohen says. "If President-elect Carter takes a fresh approach, he will find men and women from all constituencies clamoring to serve their country."

Of all the consequences of the reform in campaign finance, one of the happiest is this: President-elect Carter does not have to pay any attention to his big contributors when it comes to making appointments. By law, there just weren't any big contributors this time.

As a result, between now and Jan. 20, Carter can be his own man in filling top level positions — about 50

jobs including White House staff appointments. After the inauguration, he may have as many as 2,000 more choices to make.

It is clear that Carter is already proceeding with care in his search for men and women of talent to the top spots. This is good news because mistakes are tough to rectify. Faced with the enormity of the full task, however, Carter may be tempted to delegate away much of his appointment authority and that would be bad news.

Since the real challenge of the President-elect is to attract and hold onto talented individuals during his four-year term, he must establish and then maintain control over an appointment process which will give him a variety of sound choices beyond those put forward by traditional special interests.

If President-elect Carter wants to take a giant step toward restoring trust in government, he should:

1. Bring quality and diversity to the Cabinet. The men and women chosen for the Cabinet should be exemplary in two respects: they should have a record of championing public concerns while standing up to narrow interests, and they should be capable of organizing and managing teams of first-rate public servants. They need not be Democrats. A John Anderson, William Coleman, John

Doar, Jill Ruckelshaus or William Scranton would add quality to any Cabinet.

2. Set clear standards of accountability. Establishing firm accountability standards for appointees is an important way to let the public know that the President means it when he says he expects honest, full-time, capable service and won't tolerate a careless, easy atmosphere.

Common Cause has submitted to President-elect Carter a proposed comprehensive executive order to prevent conflicts of interest. If such an order were issued on Jan. 20, requiring financial disclosure and strong conflict of interest regulations for government officials, it would demonstrate presidential commitment to accountability in government. Such an order should require officials to make public their personal financial holdings; agree to forego future appointments for two years in firms and institutions regulated by their department, agency or commission; and not represent clients before their former agency during that period.

Before making appointments the President should know the views of appointees on these matters, their willingness to enforce these policies in their departments and their readiness to take affirmative anti-secrecy steps in government.

3. Make the appointment process open. Special interest groups now exert great pressure in pushing for appointments to regulatory agency and sub-cabinet positions. To counter this, the White House staff and high administration officials ought to keep logs of all outside contacts they make or receive regarding appointments to public office, and these logs should be open to public inspection.

4. Appoint "public representatives" to regulatory commissions. "Public representatives" should be named to each regulatory commission to provide balance and diversity. In the past, regulatory commissions have been dominated by people associated with the industry they regulate. This imbalance can be corrected only if the President deliberately seeks out appointments

of public spirited individuals who are knowledgeable about — but not intimate with — the industry they are to help regulate.

5. Make sure all potential appointees are in fact interviewed. Previous administrations have made a more thorough search of the record, character and personality of individual Peace Corps volunteers than of its top officials. To remedy the situation, an internal review process — particularly for heads of independent agencies, sub-cabinet officials, and ambassadors — should be undertaken before appointments are announced. After initial selections are made, a top-level panel of public officials and private citizens should consider such matters as whether the appointee's past activities could lead to an apparent or real conflict of interest.

6. Allow cabinet members to choose their subordinates. Although final responsibility for all presidential appointments will rest with Carter, cabinet members should be allowed to propose their own choices for sub-cabinet level positions but directed to use the

same standards employed by the President in selecting cabinet members themselves. Like the President-elect, they too should seek quality and diversity in their subordinates.

7. Make government work rewarding. Public service should be attractive and appealing, not a burden and a sacrifice. High ethical and performance standards for officials will help make public service a dignified calling. But there is a more practical side: by fighting to make top government salaries competitive with those in business and other institutions, and by offering elementary courtesies such as paying moving expenses to and from Washington, the President can make public service possible for qualified people who now can't afford it.

It is within the President's power to restore respect for government service. If President-elect Carter takes a fresh approach, he will find zealous men and women, from all constituencies, clamoring to serve their country. The question for the President is, "Why not the best?"

On the brighter side

Our Jim's a 'born loser'

By JIM BRADLEY

DO YOU SOMETIMES get the feeling you are on a treadmill? Does it seem you're walking through life wearing heavy boots? That's the impression I get most of the time. You've heard of people that are accident-prone. Well, no matter how hard I try, I seem to be loser-prone.

For every step forward, I slide two back. My lucky star has stopped twinkling, and someone has ripped the silver lining from my dark cloud. I probably wouldn't even mention it, but I was just sitting here and got to adding up some of the misfortunes in my life. I've just about come to the conclusion that I'm a born loser.

Here's an idea of what I mean.

A few years ago our church had a lousy softball team. We were beaten, 61-1, in a seven-inning game. Have you ever lost 61-1? People thought the newspaper had made an error in printing the score, but we assured them that we did score one run. Our left fielder made two circus catches with men on base or the score would have been lopsided.

We never had the courage to pray: "May the best team win." The only doubt about the game was whether we would show up. We were out in the field so long we forgot what day it was. The other team asked if they could use courtesy runners, not because of injury, but because of exhaustion.

In another church softball game, when I was young and single, our team trailed going into the last inning. With the bases loaded, I came to the plate and hit a "grand-slam" home run to put us ahead. Just call me "Old Clutch". In the last of the inning one of their players hit a homer with the sacks clogged to win the game. Fame had once again eluded me.

THE FICKLE FINGER of fate always seems to be jabbing me. I had trouble making any baseball team in my younger days until one day I saw a team practicing on a corner lot. The coach watched me play for awhile and said I could definitely add strength to the ball club. He introduced me to the rest of the team. "Jim," he said, "I'd like you to

meet Betty, Marsha, Ruth, Rosemary, Zelda..."

One summer I played in a golf league, and for some undetermined reason, I finished in first place. My partner and I came in second in the doubles event. This meant I would receive two trophies, one for each accomplishment. Fortune surely was beginning to smile on me, I thought. Now, as a Christian I never go to bars and don't care to. That's why I was a little surprised when the chairmann of the golf league stood up after the last round (of golf) and cheerfully announced, "The trophies will be given out Saturday night at Joe's Bar." Foiled again.

There are some more symptoms that give me that uneasy feeling of being a born loser:

I bought a new two-pants suit and burned a hole in the coat.

I went to an astrologer and asked what sign I was born under. He asked, "Would you believe skull and crossbones?"

I walked a mile for a camel and all they had left were two mules.

The gas station that says: "As you travel - ask us" refuses to speak to me.

They always give me Brand X at the grocery store.

"Thirty Days to a More Powerful Vocabulary" takes me 45 days.

I read "Winning Football" and the best I could do was tie.

They flew the flag at half-mast the day I was born.

Our football team used the late Green Bay Packer Coach Vince Lombardi's book, "Run to Daylight" for our guide. The league scheduled all our games at night.

Harold Stassen wants me to run as his vice-presidential candidate.

Wonder Bread only builds my body stronger five ways.

I run out of milk on weekends.

Ralph Nader and I were ticketed for jay-walking.

I used the dentifrice with the well-known fluoride and had 21 percent MORE cavities.

See what I mean? Everything I do seems to turn out wrong. Do you suffer from any of these symptoms? If you do, we're in the same boat, and even it seems to have sprung a leak.

ASK THE GOVERNOR

Why veto campaign finance bill?

QUESTION: I was surprised to learn you vetoed enrolled House Bill 6350 since I thought you were in favor of partial public financing of gubernatorial campaigns. Why did you veto a bill which would have provided those public funds?

GOVERNOR: I have supported, do support and will continue to support partial public funding of gubernatorial campaigns. I continue to believe we need to eliminate the reliance on large amounts of money from single sources as a means to finance campaigns. However, House Bill 6350 represented a piecemeal approach to the overall problem. If it had been enacted, it would have provided public funds without comprehensive reform of campaign financing. The citizens of Michigan deserve not only public funding of gubernatorial campaigns, but also adequate public disclosure.

It contained provisions almost identical to those in Chapter 3 of Act 227 of 1976, which the State Supreme Court found to be defective. It would have authorized disbursement of public monies to candidates without adequate provision for enforcing controls on its use.

Although the bill established limitations on individual and committee contributions, the lack of pre-election reporting of private contributions would have resulted in inadequate enforcement.

The bill allows up to \$100 per contributor to be counted for matching funds. But there's no effective means to guarantee that contributions over that amount will not be counted, since the candidate or committee are not required to report the amount of individual contributions.

A similar problem exists with respect to organizations, which can distribute their money through sub-units for contributing \$100 at a time.

It is a sham and a travesty to institute public financing without assuring adequate public disclosure. There is still time to enact such

legislation this year. By instructing the state treasurer to include in the printing of the 1976 State Income Tax forms an appropriate tax check-off item, I have made it administratively feasible to begin a partial public funding of political campaigns in 1977.

QUESTION: What can be done to control the rising Medicaid costs?

GOVERNOR: It is imperative that all of us realize controlling Medicaid costs is a Michigan problem and its solution requires all persons, providers and consumers to dedicate themselves to holding the line on Medicaid costs. I have been encouraged and impressed with the cooperation the state has received from providers in containment measures.

Although fraud within the system is only a small part of the total problem, it must be sought out and eliminated.

Steps must be taken either by consumers and providers or by governmental regulation to insure proper utilization of facilities and

services. Presently, the reimbursement structure for the medical delivery system does not offer incentives for economizing by cutting back on utilization. Public policy must not only promote but require and reward consumers and providers for decreased utilization.

The provider organizations and the state government have agreed to several procedures that should help control the costs. These include the establishment of onsite program reviews in up to 20 hospitals which are the highest utilizers of Medicaid, establishment of pre-admission testing procedures for all Medicaid patients, and a policy under which hospitals must obtain payments from third-party potential payment sources where available before billing the Medicaid program.

The creation of the Statewide Health Coordinating Council will provide a means to set priorities for facilities and services and minimize the overlapping of expensive facilities and equipment.

QUESTION: I understand that

you have proclaimed November as Energy Month. What energy saving tips can you offer?

GOVERNOR: To emphasize that the energy problem is real and that we must use energy wisely, the State Energy Administration has made the following suggestions:

Adjust your thermostat to 68 degrees F in the winter and down to 50 degrees F when away from home;

Set your water heater at 110 degrees F and save money by not adding cold water to cool hot water;

Turn lights off when not in use;

Obey the 55 mile-per-hour speed limit on the highway and take advantage of the right-turn-on-red law;

When using the oven, turn the heat off a few minutes prior to taking food out—food will continue to cook with the heat left in the oven.

For more energy and cost-saving tips, contact the Energy Administration at (517)-374-9090 or write Energy Administration, Fourth Floor—Law Building, Lansing.

Teachers' after school routine defended

To the editor:

In answer to Mrs. Sutton's letter to you as editor of the Enterprise-Roman regarding children being dismissed at 2:30 P.M. while teachers stay until 3:45 P.M., may I say that the preparation time provided by contract for each teacher is a very necessary part of our work day. Without it much of the instructional day would be neglected for our other duties.

The preparation period is used, as its name denotes, as a period in which we prepare our rooms, our instructional material and ourselves

for teaching the children. There are numerous necessary items which must take place in order to meet each child's individual educational need, such as preparing detailed lesson plans for each subject taught, grading papers, checking work books, keeping records, doing report cards, running dittos, composing tests, evaluating children's progress and preparing the room for each coming day. There are also several reports required by the administration, ranging from daily attendance to career education work sheets!

All these items and many, many

more not mentioned, require a great deal of a teacher's work day. Many teachers find it necessary to work at night or on weekends to keep abreast of their requirements for daily teaching.

I believe parent-teacher communication is very necessary. Please feel free - anyone - to correspond further through this newspaper or by writing me c.o. Romulus Education Association, P. O. Box 432, Romulus, Michigan.

As we see it

Bill brings public out of dark and into the sunshine

We don't think enough credit has been given to the three legislators who fought for the passage of the open meetings bill, recently signed into law by Gov. William Milliken.

The bill, which has had a long and tortuous legislative history, was guided through the Senate by Sen. David Plawecki (D), Dearborn Heights, and through the House by Reps. Tom Brown (D), Westland, and David Hollister (D), Lansing.

The new law spells out requirements for public notice of meetings, availability of minutes of meetings, penalties, and specifies when a meeting may legally be closed.

According to the measure, "All meetings of a public body shall be open to the public and shall be held in a place available to the general public. All persons shall be permitted to attend any meetings except as otherwise provided in the act. All decisions of a public body shall be made at a meeting open to the public."

Plawecki, Brown and Hollister, believe it or not, had stiff opposition from special interests that would like to see government continue to operate in the shadows.

Also credited with bringing public business in Michigan out from behind closed doors

and into the sunshine was Common Cause of Michigan, a highly effective state-wide citizens' group, which for months fought for passage of the open meetings bill by talking to legislators, presenting its point of view to the press and the public and fighting off a series of crippling amendments advanced by vested-interest groups.

But when the real gut fighting took place there were Plawecki, Brown and Hollister in the forefront. In fact if it hadn't been for Brown's and Hollister's insistence of a tough House bill, the new law might never have seen the light of day.

Because a compromise was reached between the loophole-ridden Senate version and the much stronger substitute passed by the House, the new law is recognized as an effective tool in bringing the public in from the cold and into the process of legislative deliberation and decision-making.

There are limited exceptions when the public can legally be barred from a meeting, such as labor negotiations and personnel matters. But this hardly matters because, overall, thanks to Plawecki, Brown and Hollister, the quality of government can only be strengthened by the passage of this historic bill.

Receive 32nd degree

Three Belleville Masons were the recipients of the Scottish Rite Freemasonry's 32nd Degree during a recent 2-weekend reunion at the Detroit Masonic Temple. The 281st Reunion Class, named in honor of the late W. Barclay Deyo of Southfield, a 33rd degree Mason, included David B. Zantop of the I-94 Service Drive (from left), Burrell A. Mills of Church Street and Leonard

J. Hurkley of Menlo Park Drive, all of Belleville. The president of Wayne State University, Dr. George Gullin Jr., a 33rd degree Mason and an active member of the Scottish Rite's Supreme Council of the Northern Masonic Jurisdiction, was the speaker at the traditional degree banquet which concluded the reunion.

VA aid extended

The Veterans Education and Employment Assistance Act of 1976, signed into law by President Gerald Ford last month, will provide up to an additional nine months training entitlement for thousands of veterans who have not reached their 10-year delimiting date.

Effective Oct. 1, the law extended entitlement to 45 months for all persons eligible for GI Bill benefits, if they have served at least 18 months on continuous active duty after Jan. 31, 1955.

Previously, basic entitlement was 36 months. An additional nine months was available only if the GI

Bill student was pursuing an undergraduate college degree.

Unchanged is the 10-year limiting date. Veterans retain eligibility for 10 years after release from active duty or until Dec. 31, 1989, whichever is earlier.

The new law also will provide an 8 percent increase in monthly allowances for all training offered by the GI Bill, except flight training, effective Oct. 1. A single veteran, attending school fulltime, will receive \$292 monthly, while a student with one dependent will earn \$347, with two dependents \$396, and \$24 for each additional dependent.

Athletic Club fetes Romulus gridiron team, cheerleaders

The Romulus Athletic Club this past weekend honored the Romulus Flyers football team, cheerleaders and pep club at its annual banquet at the Romulus Progressive Hall.

In exchange for the annual meal, players teamed up to present their coaches with tokens of their appreciation.

Guest speaker for the evening was Charles Shonta Jr., a graduate of Eastern Michigan University who starred with the Boston and New England Patriots professional football teams before becoming head coach at Northville High

School. He played with the pros for eight years. He now lives in the Romulus community.

New officers for the athletic club also were announced, with Dennis Hornyack to serve as president for the 1977 season. Bob O'Day will be vice-president, Mary O'Day as secretary and Bill Hardrick as treasurer.

The board members are Glenn Free, Shirley Hornyack, Jim Hollis, Kathy Smith, Ron Slaughter, Roy Eddings, Serena Hardrick, Charles Dick, Mike Ross, Gil White and Harlan Whichello.

Belleville students play in spectacular

Four Belleville residents recently were involved in the Band Spectacular, which featured three Western Michigan University bands in concert. Involved in the program was the University Symphonic Band, Jazz Lab Band and Bronco Marching Band.

The local musicians were Belleville residents James Schweigert of the symphonic band and drum major for the marching band; Deanna Halcomb, also of the symphonic and marching bands;

Kathy Bassett of the symphonic and marching bands, and Troy Keith Green of the symphonic, marching and Jazz Lab bands.

And across the state at Grand Valley State College in Allendale, Romulus resident Timothy Miank was awarded a bachelor of arts degree, with a major in English, in the College of Arts and Sciences. He was awarded his "sheep skin" at the conclusion of the summer session at the college.

Sheriff's officers speak to parents about drug usage

Wayne County Sheriff's officers John Leabu and Ron Brown spoke to some 20 Romulus parents and teens recently on "Narcotics — Their Use and Effects."

Sponsored by the Concerned Citizens Committee of Oakbrooke Townhouses, the meeting was held in the Clubhouse Center. The two officers discussed various types of drugs and their effects.

Samples of common drugs and related paraphernalia were shown and ways to detect if someone is using drugs.

"A group of residents formed the

Concerned Parents Committee for the purpose of stimulating parent awareness as a means of defining and solving problems related to teen-agers living in Oakbrooke," explained Frances Bonovitch, chairman of the group.

Members of the committee visited each family in the townhouse project to explain their purpose and invite them to the meeting.

"We chose this program as our initial effort to provide our residents — parents and teens — with factual information about an urgent social problem," Mrs. Bonovitch said.

Signature on bill has historical significance

The Veterans Education and Employment Assistance Act of 1976, signed into law by President Gerald Ford last month, will provide up to an additional nine months training entitlement for thousands of veterans who have not reached their 10-year delimiting date.

Entitlement for correspondence training is charged at the rate of one month for each \$292 paid. Entitlement for flight training will be continued at the rate of one month for each \$270 paid.

30,000 miss flu vaccine

Despite the good turnout at the high risk Swine Flu clinics late last month, Wayne County Health Department officials have estimated that some 30,000 eligible high risk individuals living in the out-county area have not received preventive shots for the Swine and Victorian flus.

Hoping to reach those residents included in the high risk category, final clinics have been scheduled for Nov. 20 at the Westland and Southland centers as well as Henry Ford Centennial Library in Dearborn. The final high risk clinics will be open from 10 a.m. to 6 p.m.

Turnouts for the first high risk clinics in Western Wayne County were:

- Geneva United Presbyterian Church, Canton Township, 302;
- J Building, Wayne County General Hospital-Eloise, Westland 859;
- St. Paul's Lutheran Church, New Boston, 245;
- Tonquish Creek Manor, Plymouth, 779;
- Romulus City Hall, Romulus, 259;

—Family Medical Center of Oakwood Hospital, Sumpter Township, 215;

—Berean Baptist Church, Van Buren Township, 290; and

—Westland Center, Westland, 1,095.

Western Wayne County high risk clinics attracted 12,173 residents at eight different sites.

In announcing the Nov. 20 clinic, Dr. Perry Stearns, Health Department director, cited a recent report by the Harvard Medical School that estimated that there is a 10 to 40 percent chance of a Swine Flu epidemic occurring this season.

The Harvard report went on to say that an estimated 56 million Americans would be infected, with approximately 50,000 dying in the influenza outbreak, Stearns added, saying that 38 percent of the excess flu-related deaths would occur on persons 65 years of age and older.

High risk patients have been defined as persons 60 years of age and older and all chronically ill persons 18 years of age and older.

For further information on the free vaccination, call 729-6616.

Debra Lynn Oldham, the daughter of Mr. and Mrs. Arthur Oldham of 38102 Walnut Dr., Romulus, became Mrs. Britz in a recent ceremony held at St. Paul's Lutheran Church of New Boston. The bridegroom is the son of Alvin Britz of 37071 Jones, Romulus, and Mrs. Virginia Britz of 11442 Olive, Romulus.

For the candlelight service at 5:30 p.m. the altar was appointed with vases of carnations, daisies and baby's breath. Bob Walton was at the organ to play traditional wedding music including "The Best of My Love."

The Rev. Daniel Richert conducted the double ring nuptials before some 100 assembled relatives and friends.

Escorted to the altar by her father, the bride appeared in a toe-touching gown of silk organza with lace accents. Styled with a chapel train, the skirt extended from a little fitted bodice of pearl-studded lace made with a square neckline and long, sheer sleeves cuffed in lace.

Her full-length illusion veil was bordered in lace to match her gown and her bouquet was a colonial arrangement of apricot daisies, yellow carnations, white sweetheart

roses and baby's breath.

Maid of honor was Deborah Wahrman of Romulus who donned a short-sleeved apricot frock topped by a matching long-sleeved jacket. She wore a soft-brimmed apricot hat and carried a bouquet of buttercups, daisies, yellow carnations and baby's breath.

Lynn Renke and the bride's sister, Lori Oldham, both of Romulus, were identical ensembles for their roles as bridesmaids.

The bridegroom asked his friend, Randy Hall of Romulus, to be best man. Ushers were Darrell Mink of Wayne and Rick Britz of Romulus, brother of the bridegroom.

For her daughter's wedding Mrs. Oldham chose a formal mint green crepe gown with a short-sleeved companion jacket. Mrs. Britz, the bridegroom's mother, wore a pale blue chiffon gown with a floral overlay. Both were presented with white orchid corsages.

A 1974 graduate of Romulus High School, the new Mrs. Britz is employed as a secretary at Allied Chemical Corp. in Romulus. Her husband, a 1973 Romulus High Graduate, is an employee of Hydramatic Division of General Motors in Ypsilanti.

Harold Rediske

UHT Memorial Funeral Home

So the blind may see again and lives may be saved-- Harold Rediske

Medical science has perfected the techniques of transplanting organs, providing sight to many blind people and prolonging life to others-- thanks to the magnanimous donations of vital organs for transplanting. Needless to say, there is an urgent need for organ donors.

Such humanitarian donations are the very essence of charity and love. While living donors, related to the patient, may be selected for kidney transplants, some organs which are not present in pairs must come from non-living donors. These organs, when removed immediately after death, function just as well as those from unrelated living donors.

You may have wondered if you could offer your own body and/or organs upon your death, yet you wished to conform to the traditions of full funeral service. Let me point out that in most cases the normal funeral customs and procedures may be observed. I would be glad to discuss this in confidence with you should you be interested.

One must give permission before organ donation arrangements can be completed. In case of relative who has died, the family, knowing of the relative's expressed opinions on the subject, may give permission.

If you should decide to be a donor, you will be in good company. Over 10,000 corneal transplants have been made in the world and over 10,000 kidney transplants. There are some 120 medical centers in United States engaged in major transplantation programs with many thousands of patients awaiting such charitable contributions.

Trash contest in progress for area Girl Scout troops

Can a troop of Girl Scouts and their adult leaders eat six meals at a camp site and come back with not more than a handful of trash?

That's what local Girl Scout troops will be trying to find out in a contest being sponsored from now until May

31, 1977, by the Huron Valley Girl Scout Council.

The competition called "The Great Glorious Trash Contest" is open to all 300 Junior, Cadette and Senior troops in Washtenaw, Livingston, western Wayne and

northern Monroe counties. It is designed to encourage campers to reduce the amount of non-burnable, non-biodegradable trash accumulated by camping troops, according to Mrs. Jo Stevens, Executive Director of the Council.

Prizes for the troop in each age category with the least amount of trash per girl per meal will be camping equipment of their choosing, she said. All girls entering the contest will receive an award patch.

A pilot program conducted last year was won by two Junior Girl Scout troops from Ypsilanti led by Mrs. Emily Holland. During a 2-day camping trip in which eight meals were consumed by 58 people, the girls and leaders accumulated only three-quarters of a standard garbage bag of trash. Runner-up troops were Cadette Troop 40 of Ann Arbor led by Mrs. Nancy Krohn and a Pinckney Junior Troop led by Ms. Ruth Branscomb.

The secret is in planning, according to Mrs. Stevens. Eliminating canned and bottled food and drinks, flattening necessary cans and taking only enough food to feed the group with no leftovers all reduce the total carry-home trash, she states. The Trash Contest was organized last year by Nan Crooks of Ann Arbor, long-time troop leader, trainer, and board member of the Huron Valley Council.

American Land Trust topic at Van Buren Garden Club

The Van Buren Garden Club's November meeting was held at the home of Mrs. Edward Kapelanski on Haggerty Road.

Mrs. William McKee gave a talk on the American Land Trust, a conservation movement for preserving natural lands, wildlife and wetlands. We are losing 2,000 acres a day to progress, she said.

The National Council of State Garden Clubs is bringing the message of the American Land Trust to its members "to heighten public awareness of the critical and urgent need to preserve our last

environmentally and ecologically unique lands with natural features, lands that illustrate undisturbed pre-colonial America, and to add to existing preserves and refuges."

Money will be donated by the Van Buren Club and designated for use in the acquisition of Michigan preserves. Others wishing to make donations of land or money to The American Land Trust P.O. Box 2076, Arlington, Va. 22202.

Mrs. Kapelanski demonstrated the making of small cloth wreaths stuffed with fragrant herbs and trimmed with velvet ribbon.

Christmas tree ornaments of gingerbread boys, snowmen, wreaths and Christmas trees were made of flour, salt and water, and baked by Mrs. Kapelanski. The club enjoyed painting these figures as a workshop.

The Van Buren Garden Club has a yearly project of providing the Belleville Library with a Christmas poinsettia.

Mrs. W. E. Gault will be hostess at the December meeting with luncheon at the Heritage Inn and a visit to the Henry Ford Museum.

WOTM has Library Chapter Night

Women of the Moose, Belleville Chapter No. 1135, held its Library Chapter Night Nov. 8 and now are looking forward to Green Cap Day which will be held Nov. 28 at Dearborn Chapter No. 495. Dorothy Edwards, Jr. Graduate Regent, will be honored. Registration is at 1 p.m. with the 2 p.m. meeting to be followed by dinner. All co-workers are invited to attend.

It was reported that Ellen Hendrickson is home from her recent hospital stay and that Betty

Reed is a patient at Beyer Memorial Hospital in Ypsilanti. Sympathy was extended to Margaret Coron and Helen Matewicz on the deaths of their respective mothers.

Belleville's Green Cap Day will be held Dec. 4 in honor of Jr. Graduate Regent Frances Elliott. Registration will be at 6 p.m. at the lodge with the 7 p.m. program to be followed by dancing.

The business meeting will be held at 8 p.m. Nov. 22. Meetings, which

are open to all co-workers, afford the members an opportunity to voice their opinions and to give suggestions for benefiting the chapter.

CC secretaries tour Hilton Inn following lunch

The monthly meeting of local Chambers of Commerce secretaries was held at the Plymouth Hilton Inn on Nov. 1. Janet Curlee, Plymouth Chamber secretary, was hostess to Mary Dingledey of the Canton Chamber; Leona Van Buhler of Belleville and Joyce Wheeler of Westland. The foursome was taken on a tour of the new facilities following lunch at the Inn's Park Restaurant.

The next meeting will be held in Lansing when the State Chamber of Commerce will enlighten local groups as to how they can work more efficiently with the State Chamber on state and national levels.

Anniversary forms available

For those marking wedding anniversaries with celebrations and parties, we have special anniversary forms to fill out. The questionnaires include all the pertinent information needed for putting a story together.

If you are planning to celebrate an anniversary and would like your friends to read about it in The Belleville Enterprise of The Romulus Roman, simply stop by our office at 116 Fourth St., Belleville, or telephone the Suburban Living Editor, Lee Smith, at 697-9191 to have a form mailed out.

We will be happy to accept photographs if they meet with our specifications. Please include one if it's available. There is no charge for this service.

Gold medal skater

Cindy Warner, a 1974 graduate of Belleville High School, successfully passed her Gold Medal Test in International Roller Dance at the Great Lakes Regional Meet in Troy this past summer. The gold medal award was presented to Miss Warner at her home rink, Riverside Arena in Livonia, by Emery Robbins on Oct. 24. The daughter of Ms. Betty Yuhas Warner and John Warner of

Ypsilanti, the gold medalist was danced through a set of five intricate routines by Larry Chopp of Wayne, 1975 Junior International Dance Champion. Miss Warner currently is skating with Glen Clark of Livonia; their team instructor being Michael Etue of Livonia. Miss Warner is a student at the Center of Creative Studies Art School in Detroit.

Amy Lynn makes debut

Amy Lynn is the name chosen by Norman and Jane Gorzynski of 43816 Burtrig Rd., Belleville, for their new daughter who made her debut Oct. 18 at Oakwood Hospital in Dearborn.

The 5 lb., 12 oz. infant is the couple's second child, their son, Scott Leonard, being 22-months-old.

The children's grandparents are Thomas and Marie Barton of Southgate and Mrs. Hattie Gorzynski of Wyandotte.

Degree of Honor meets for lunch, plans programs

Degree of Honor Lodge No. 132, including President Evelyn Arnold, and her new corps of officers, met Nov. 10 at the Sveden House in Allen Park to discuss plans for the yearbook and the upcoming programs.

The group also celebrated the November and December birthdays of the members with a special birthday cake.

Meetings are held at 7:30 p.m. on the fourth Monday of the month in the new IOOF Hall at 970 Savage Road, east of Belleville.

monthly meeting at Nickerson's Tin Lizzie in Belleville. Guest speaker was Roger A. Haslick, attorney and counselor with offices in Detroit and Plymouth, who is a native of Ionia, Mich. and an alumnus of Michigan State University.

Vocational speaker was Lorene Wells who has been with the Ann Arbor-Ypsilanti Social Services for five years doing clerical work.

One guest, Mary Susan DeBardo, was brought by Goldie Halka. Both women are employees of Wayne County General Hospital.

The new member initiation ceremony, conducted by Caroline Hesson, president; Edith Davenport, vice-president, and Bunny Hardy, enrollment chairman, brought in Maxine Adiska who is employed by the Lincoln Consolidated School District.

Five members and one guest, taking 10 days in a mobile home, drove to New Orleans, La. to attend the American Business Women's Association National Convention. Edith Davenport, vice-president, was the chapter delegate. President Caroline Hesson was recognized as the local chapter's "Woman of the Year."

Others making the trip were Evelyn Bachman, Hazel Bigham and Bunny Hardy and their guest, Marie Horvath. The group took time to stop at the Mammoth Caves and Alabama's Space Center enroute to their destination.

Have some good books ready for snowy nights at home

Now that the busily paced days of summer have merged into the somewhat slower tempo of autumn — those limbo hours before we turn, full tilt, to hectic preparations for the holidays — it's time to pay a visit to your local library.

Not only will you find scads of new fiction along with the favorites of years gone by but all kinds of how-to books and cookery volumes which might supply you with ideas for Christmas giving.

We'll start with the fiction department since you might like to fill those fireside evenings with a bit of romance, science fiction, intrigue, adventure or comedy.

Scouts to learn leadership skills

Eighty Junior Girl Scouts will learn how to prepare an agenda and other group leadership skills at a special conference to be held Nov. 19 at Saline Middle School in Saline.

The 10-to-12-year-old Girl Scouts and their troop leaders will attend the Key Skills Workshop from 4 to 8:45 p.m. to learn how to help groups develop ideas and organize work in community service, recreation and personal development projects.

Among skills to be taught are how to take minutes, lead a discussion, make reports, delegate responsibilities and evaluate

results. Conducting the sessions will be volunteer trainer Mrs. Nancy Krehn of Ann Arbor.

A dramatic presentation will be given by Saline Senior Girl Scout Troop No. 440 advised by Mrs. Kathy Dailey. A potluck supper will be served.

The session is part of the newly expanded training program being offered this year by the Huron Valley Girl Scout Council for girl and adult members from Washtenaw, Livingston, western Wayne and northern Monroe Counties.

Snowmobilers find less space

When a larger-than-ever snowmobiling army hits Michigan's trails this winter, it will find fewer acres of forest open to off-the-road vehicles (ORVs) as compared to a year ago, according to the Automobile Club of Michigan.

Owners of more than 450,000 snowmobiles in the state—3 percent more than last year—can travel on 164 marked trails listed on Auto Club's 1977 guide to state and federal land.

While there are six more marked trails available than last winter, much of the 3.3 million acres of national forest land in Michigan will be closed to ORV travel after Dec. 31, due to new rules.

Snowmobilers still can travel unrestricted over any of the 3.7 million acres of state forests and 100,000 acres of state parks and game and recreation areas.

"The new regulations on federal land-different for each national forest—are designed to protect wildlife and vegetation and to provide quiet areas for other forest users," said Joseph Ratke, Auto Club touring manager. "Summertime travel restrictions will be similar, to again protect against overuse, erosion and disturbances to wildlife and other persons by ORVs."

Until Dec. 31, all federal forest land—including more than 2.4 million acres in the U.P.—also will be open to snowmobilers unless otherwise posted.

After Dec. 31, all of the Hiawatha National Forest will be closed to cross-country travel by ORVs. Snowmobiles and other vehicles are free to use marked trails and roads in this 862,000-acre tract in central Upper Michigan.

From March 1 to thaw, snowmobiles are restricted to trails and roads in the Ottawa National Forest's 1.6 million acres covering much of the western U.P.

Officials at the Huron and Manistee National forests in northern Lower Michigan have not yet finalized their ORV rules, but they should be similar.

"To accommodate snowmobilers and other ORV enthusiasts, federal officials are working to link existing trails to the thousands of miles of fire roads and other unpaved routes through the forests so that in the future, there will be more and longer routes than ever," Ratke added.

One of those new trails in the U.P. is the Cross-U.P. Trail, a 450-mile network from St. Ignace to the Keweenaw Peninsula and the Wisconsin border.

Guides are required to travel the route and are available free of charge. More information can be obtained by calling (906) 226-7358.

In Lower Michigan, a 62-mile network of groomed trails has become the Huron Snowmobile Trail, connecting Oscoda, Hale and East Tawas with other local communities. Another new and lengthy route includes the 50-mile West Michigan Trail from Lowell to Middleville in Kent County.

Snowmobilers may want to tackle the 81-mile Boardman River Valley Trail near Traverse City. They can even try the ungroomed state hiking and riding trail, stretching more than 200 miles across northern Lower Michigan. Information of the cross-state trail may be obtained at State Department of Natural Resources (DNR) offices. Detailed trail maps can be purchased for \$5 from the Michigan Trail Riders

(Association, 2864 Beiter Road, Traverse City, 49684.

Whether traveling through remote forest near home, snowmobilers always should:

— Carry tools, spare parts and extra fuel.

— Carry a survival and first aid kit, including a compass, waterproof matches, extra clothing and food.

Avoid traveling alone.

— Keep on marked trails in unfamiliar territory and always carry out litter.

All snowmobiles must be registered with the Department of State to run on public lands. Children under 12 cannot operate machines on public lands without

supervision. Youngsters aged 12 to 15 must pass an 8-hour DNR snowmobile safety course to drive on public lands without supervision. Snowmobilers are not allowed to run on state lands unless four or more inches of snow are on the ground. State southern game areas will be open to snowmobiling from Jan. 1 to March 31, 1977.

State has 164 sites open for off-the-road vehicles

Snowmobiling enthusiasts taking to the outdoors this year will find 164 areas throughout the state with facilities for such off-the-road vehicles.

The state parks are:

Highway revenues increase

Increased tax revenues, plus interest accumulated in the state's Motor Vehicle Highway Fund, produced more money for road purposes in the 3-month period that ended Sept. 30, according to a State Highway Commission report. After deductions for grants and

administrative costs, \$111,572,496 will be distributed among the Department of State Highways and Transportation, 83 county road commissions and the 531 incorporated cities and villages in Michigan. The sum is 11.1 percent higher than the distribution for the July-September quarter of 1975.

About half of the increase resulted from higher motor fuel tax and weight tax (license plate fee) collections. The rest is 15 months' interest accumulated in the Motor Vehicle Highway Fund, which is the depository for state motor fuel and weight taxes.

In previous years, the interest was distributed annually in the quarter ending with the fiscal year June 30. This year, because the Legislature extended the fiscal year to Sept. 30, the interest is being paid three months later.

Because of a decline in interest rates, the \$6,019,777 in interest earned for 15 months is 38.7 per cent less than the \$9,825,612 interest earned in the 12 months of the 1974-75 fiscal year.

Taxes on motor fuels — gasoline, diesel fuel and liquid petroleum — brought in \$110,273,340 in the July-September quarter, an increase of \$4,818,382, or 4.6 per cent, over the

same three months of 1975.

Revenues from weight taxes and miscellaneous sources, such as vehicle title transfers totaled \$9,204,793, up \$1,405,405, or 18 per cent.

Revenues in the Motor Vehicle Highway Fund are distributed under a formula prescribed by law after deductions for various grants. The deductions include 1.25 per cent of the gas tax to the State Waterways Fund (\$1,303,165) and 1-18 of gas tax and liquified petroleum tax to the General Transportation Fund for public transportation program (\$5,722,368). Additionally, the Secretary of State charged \$6,484,874 for costs of administration.

Of the remainder, \$48,636,932 will go to the Department of State Highways and Transportation, an increase of \$3,986,933, or 8.9 per cent; \$40,120,611 to the county road commissions, an increase of \$4,526,904, or 12.7 per cent; and \$22,814,953 to the municipalities, an increase of \$2,512,919, or 12.9 per cent.

Wayne County will receive \$6,341,530 as its share of the third-quarter distribution, while Belleville will receive \$8,092; Inkster, \$119,801; Romulus, \$88,393; Wayne \$67,172, and Westland, \$269,525.

Goetz promoted

The U.S. Air Force has promoted Michael D. Goetz, the son of Mrs. Patsy A. O'Nan of 730 Monroe St. Carleton, to the rank of airman first class.

Airman Goetz is serving at Robins Air Force Base, Ga., as a telecommunications center specialist.

The airman is a 1975 graduate of Airport High School.

Also in the armed forces:

Navy Boiler Tech. 2.c. Thomas D. Walker, the son of Mr. and Mrs. David E. Walker of 395 High St., Belleville, was a crewmember of the aircraft carrier USS Oriskany which

was decommissioned on Sept. 30.

The Oriskany has the last fully operational Essex-class aircraft carrier. She was towed to Bremerton, Wash., for storage with other inactivated "mothballed" naval ships. Named in honor of the Revolutionary War battle fought near Oriskany, N.Y., she was commissioned on Sept. 25, 1950 and saw combat action in both Korea and Southeast Asia.

A 1971 graduate of New Hope-Solebury High School, New Hope, Penna., Walker joined the Navy in January 1973.

ROMULUS COMMUNITY SCHOOLS MINUTES

Special Meeting of the Romulus Board of Education held October 25, 1976 was called to order by President Morris at 7:30 P.M.

Roll call showed all members present; all administrators were present. Pledge of Allegiance was led by president.

APPROVAL OF AGENDA: Moved by Bath supported by Silvey to approve the Agenda with the addition of Item 5a as amended. Ayes: 7. Nays: 0. Motion carried unanimously.

INTRODUCTION OF APPLICANTS: The Asst. Supt. for M & O introduced six (6) candidates for employment of Bus Drivers and one candidate for Tech. Aide and Secretary for Special Needs Program, Senior High School. COMMUNICATIONS:

Letter dated October 18, 1976 and received October 18, 1976 from John Beattie, President and Michelle DeChene, Secretary, Student Council, seeking permission for the South Jr. High School to have a Student Council Advisor.

Letter dated October 12, 1976 from Mr. Robert Michniewicz, President, Wick School P.T.A., requesting permission to have the Stewart Sandwich Company install some equipment in the kitchen so that the P.T.A. can provide a hot meal for the children once or twice a week.

COMMENTS-Approval of October 11, 1976 Minutes: Moved by Chandler supported by Bath to accept the minutes of October 11, 1976 as presented. Ayes: 7. Nays: 0. Motion carried unanimously.

REPORT OF THE SUPERINTENDENT:

The Asst. Supt. for M & O stated that there was nothing new to report. He stated that we have problems that have not been resolved at this time such as the site work at the North Jr. High School. Also, we had experienced heating problems at the school. Member Chandler inquired of Mr. Janack as to the fencing at the Wick Elementary School. Mr. Janack answered this question.

Maintenance of Buildings and Grounds

The Asst. Supt. for M & O stated that there was nothing new to report as to the maintenance of buildings and grounds.

The letter received from John Beattie and Michelle DeChene from the South Jr. High School was discussed with the Board. Supt. Garfield explained to the students that their request was a valid one, but the funds just were not available. Member Bath suggested that the Student Council present a proposal to the Board for their consideration.

AUDIENCE DISCUSSION - 8:00 - 8:30 P. M.;

Mrs. Lynn Slaughter, Mr. James Hollis and Mr. Dan Boyd expressed their concerns of the possibility of closing all buildings at 5:00 P. M. and the affect it would have on their programs; specifically, the Girl Scouts, Boy Scouts, Cub Scouts, etc. Supt. Garfield stated that the closing of the buildings was one of the proposed budget cuts, but at this time, had not been finalized upon. Mrs. Diane Boger discussed with the Board of Education and quoted figures on building utilization. She suggested that we close Beverly, Gordonier, Hayti and Romulus Elementary. Mr. James Sullivan, Romulus Athletic Association, presented a check in the amount of \$557.00 to the Board of Education for the 7th, 8th and 9th grade Football Program.

Mr. and Mrs. Arthur Burns, Hale Creek Elementary School parents, requested that their kindergarten child be bused to school because of the dangerous situation that exists with the construction enroute to and from school. The reasons for not busing their child was explained to them by President Morris.

Report of the Architect

Mr. D. Osgood, Architect, Charles W. Sherman & Associates, presented their recommendations for approval on the bids received for the Outdoor Athletic Facilities at the North Jr. High School that were received and opened on October 20, 1976 at the Board of Education Offices. Moved by Budd supported by Bath that the proposals for the Outdoor Athletic Facilities at the North Jr. High School be taken under advisement. Ayes: 7. Nays: 0. Motion carried unanimously.

The Asst. Supt. for M & O questioned the architect about the approaches at the North Jr. High School and the Tennis Courts. His questions were answered by Mr. Osgood.

Catch Basin - North Junior High School

Moved by Budd supported by Lombardi to accept the proposal of the contractor to install a catch basin at the North Jr. High School at no cost to the district. Ayes: 6. Nays: 1. (Bath) Motion carried.

Educational Excursion Trip to Chicago - Gordonier Elementary School Moved by Budd supported by Bath to approve the Educational Excursion Trip of Gordonier Elementary School to Chicago at no cost to the district. Ayes: 7. Nays: 0. Motion carried unanimously.

Outdoor Educational Program - Wick and Mt. Pleasant Elementary Schools Moved by Chandler supported by Budd that Mt. Pleasant and Wick Elementary Schools be approved for an Outdoor Educational Program and that we underwrite \$250 as a deposit until such time as we are reimbursed. Ayes: 7. Nays: 0. Motion carried unanimously.

Disposal of School Properties

Harrison Elementary School: Mr. Janack stated that there have been no firm offers on Harrison. The only one pending is the one from the Wayne Intermediate School District. Special Service Center: Mr. Janack stated that we have received no offers on Special Services. Members Silvey made a motion that we ask for an appraisal for the sale of Romulus Elementary School. Member Christensen stated that he would like to make an amendment to Member Silvey's motion and ask for only an appraisal. Member Silvey withdrew his motion for the sale of the building. President Morris

asked the Board for a vote for the appraisal of Romulus Elementary School. Ayes: 2. Nays: 5. (Budd, Chandler, Bath, Morris, Lombardi). Motion failed. Relocatable Classrooms

The Asst. Supt. for M & O stated that we have had many inquiries, but no one has purchased the classrooms.

Mobile Office Trailer

The Asst. Supt. for M & O wanted to know if the Board wished him to advertise the trailer. He stated that it was worth approximately \$2,000. He stated that we are using it for storage at the present time.

Proposed City Park Site - Hale Creek Elementary School Moved by Christensen supported by Silvey that any action on the proposed City Park Site at the Hale Creek School be tabled due to the lack of any information from the City concerning the proposed lease. Ayes: 7. Nays: 0. Motion carried unanimously.

Mr. Stephen Bonczek, City of Romulus, was advised by the Board of Education that he comes back to the Board with a firm proposal, readable drawings, and a lease document.

Revised Graduation Requirements for Class of 1980

The Asst. Supt. for C & I explained, in detail, to the Board of Education the revised requirements for the students entering the 9th grade. His recommendation is that they be required to take thirteen credits (minimum) based on the five-hour day at this time. Moved by Silvey supported by Lombardi to approve the recommendation of the Asst. Supt. for C & I. Ayes: 7. Nays: 0. Motion carried unanimously.

Budget - 1976-77

Supt. Garfield stated that we are required to submit to the State by November 1, 1976, a copy of our budget. Supt. Garfield explained, in detail, the budget to the Board and the audience. He stated that the budget that he presented is a balanced budget for 1976-77. Moved by Budd supported by Lombardi that the budget for 1976-77 be approved as recommended by the Supt. of Schools. Ayes: 7. Nays: 0. Motion carried unanimously.

Supt. Garfield stated that we should give a final answer to the parents that presented petitions for transportation of the students at Hale Creek School. He stated that in order for us to bus the kindergarten children, only, we would have to use an additional bus. In lieu of that fact, he could not recommend busing kindergarten children to Hale Creek.

Personnel Actions:

Moved by Budd supported by Bath to accept the recommendation of the Superintendent of Schools for personnel actions. Ayes: 7. Nays: 0. Motion carried unanimously.

It was the consensus of the Board of Education that the audience be allowed fifteen additional minutes for audience discussion of the budget.

Mr. James Sullivan and other members of the audience questioned the existing budget cuts and asked if the Board had made any further cuts.

The Board recessed at 10:26 P.M. The Board convened in Executive Session at 10:35 P.M. and reconvened in General Session at 11:37 P.M.

Moved by Lombardi supported by Chandler to adjourn. Ayes: 7. Nays: 0. Motion carried unanimously. The meeting was adjourned at 11:38 P.M. Respectfully submitted, Gloria M. Chandler, Secretary, Romulus Board of Education.

Stated Purpose Meeting of the Romulus Board of Education held October 27, 1976 was called to order by Vice President Budd at 7:00 P.M.

Roll call showed Members Morris and Silvey absent. Mr. James M. Garfield and Mr. Marvin P. Fischer were present. Member Morris arrived at 7:05 P.M. and Member Silvey arrived at 7:27 P.M.

Pledge of Allegiance was led by vice president.

Board convened in Executive Session at 7:02 P.M. for the purpose of student re-admission hearings, and reconvened in General Session at 10:28 P.M.

Moved by Bath supported by Christensen that Student B76-77 be continued on suspension for the balance of this semester and be permitted to apply for readmittance on or after Jan. 1-15, 1977. Ayes: 4. Nays: 2. (Lombardi and Morris) 1 abstain. (Silvey). Motion carried.

Moved by Chandler supported by Bath that Student C 76-77 be continued on suspension until such time as he appears before the Board for a hearing; hearing for said student having been scheduled for October 27, 1976 and student and parents having been duly notified. Application deadline set for federal summer jobs

Deadlines have been set for students and others who plan to seek summer employment next year with the federal government, according to the representative for the 15th U.S. House of Representatives District.

Application forms and full information can be obtained from Congressman William D. Ford (D-15th District), 2238 Rayburn House Office Building, Washington, C.C. 20515, or from the U.S. Civil Service Commission's Detroit Office, at 144 W. Lafayette, Detroit 48226.

Of the approximately 100,000 persons who qualify each year, about 10,000 are hired. Of those 8,000 are clerical positions, and the rest are in the sub-professional fields like engineering, physical science or biological science, Congressman Ford said.

Applicants who file by Dec. 9 will be scheduled for written tests in January while those who file between Dec. 9 and Jan. 13, 1977, the final deadline, will be tested in February. Applicants will be given

two weeks notice of their testing date.

Candidates who took the test this year and qualified for 1976 summer employment may renew their eligibility without retaking the test by filing an update form before Jan. 13, 1977.

Congressman Ford noted that there are some summer positions which do not require the written test, but do require college study or work experience in specific occupational fields.

Full information on those special positions, on updating 1976 forms and on filing for 1977 summer work are available with the application forms, as well as information on summer jobs for laborers, student trainees, summer interns and jobs requiring trade skills.

Congressman Ford pointed out that Postal Service positions are not included, and that those interested in postal work should inquire at whichever post office they wish employment.

At Oakwoods facility

Metropark hosts owl-butterflies program

The Nature Center at Oakwoods Metropark near Flat Rock will feature a special combined evening

program Tuesday.

Starting off the program at 7 p.m. will be an owl walk with park

naturalists, who will use taped recordings to attract resident owls.

At 8 p.m. John Wilkie of Wyandotte

will present a slide show on "Michigan Butterflies", featuring detailed close-up photography of many beautiful and rare butterflies, a park spokesman said.

The event is being co-sponsored by the Lower Rouge Nature Center, located in Westland, and the Huron-Clinton Metropolitan Authority.

The program is free, however advanced registration is required for the owl walk. For further information, contact the Oakwoods Nature Center at 782-1255.

Seniors get Village discount

Senior citizens can visit Greenfield Village and the Henry Ford Museum now through December at a special discount rate.

Groups of 10 or more seniors can take advantage of a special

program, which includes lunch and a visit to either the village or museum, for \$4.25 per person. Groups that lunch on their own will be admitted to either facility for a cost of \$1.50 per person. Advance reservations are

required for group visits.

For individuals every Wednesday is "Senior Citizen Day", with seniors admitted to the village or museum for a discount rate of \$1.50 each. No reservations are required to take advantage of the Wednesday program.

For additional information or to make group reservations, call Henry Ford Museum's Travel and Convention Department at 271-1620.

Jazz legend in concert

Maxine Sullivan, acclaimed as a legend among jazz artists, will headline a concert Sunday at the Presidential Inn, I-75 at North Line and Allen Road exit, in Southgate.

She will be appearing from 3 to 7 p.m. on behalf of the Detroit Hot Jazz Society. Tickets

are \$3 each for society members and \$4 for non-members.

Miss Sullivan, who currently is playing New York clubs, will be backed up by J. C. Heard on the drums, Will Austin on the bass and Ted Sheely at the piano.

A legend in her own time, Miss Sullivan captured the hearts of jazz buffs with her lusty

singing during the 1930s and 1940s.

Now 65, she was discovered singing at the Benjamin Harrison Literary Club in Pittsburgh by Gladys Mosier, pianist in Ina Ray Hutton's band.

She was introduced to bandleader Claude Thornhill, after which her career took off. She made her record debut with Thornhill and then became a regular at the

Onyx club eventually marrying John Kirby, who was bandleader at the 52nd Street Club.

Her first big hit was "Loch Lomond." She appeared in the movies in "St. Louis Blues" and "Going Places." On stage she was in "Swingin' the Dream" and "Take a Giant Step." She toured Europe in 1948 and again in 1954.

She has mastered trombone and played in several concerts and festivals, including the Manassas Jazz Festival in 1975.

Since the death of her second husband, the great jazz pianist Cliff Jackson, Miss Sullivan has been involved in converting an apartment the two owned into a jazz museum and study center to be known as "The House that Jazz Built."

7B. Motion by Block, supported by Martin, to adopt Resolution 76-773 for the sale of City Owned Property

RESOLUTION 76-773

WHEREAS: The City of Romulus has acquired several properties throughout the City of Romulus as a result of the owner's failure to maintain property tax, and;

WHEREAS: The City of Romulus is interested in returning said properties to the tax rolls, and;

WHEREAS: The City of Romulus has acquired an improved property that is presently occupied by the previous owner, and;

WHEREAS: The City of Romulus recognizes that the inflationary spiral has caused unpredictable hardship on many citizens throughout the City;

NOW, THEREFORE, BE IT RESOLVED: That the City Council does hereby direct a public sale of all properties situated in a residentially zoned district. The sale shall be on a sealed-bid basis. There shall be a minimum acceptable bid of 50 percent of the assessed valuation. Sub-standard sized lots will be offered at 20 percent of the assessed valuation to the adjoining property owners based on the following conditions:

1. If both adjoining properties are improved, each property owner will be offered equal footage.

2. Improved properties occupied by previous owners and - or their direct descendants may acquire said property by the payment of all outstanding property taxes, to include that amount which would have been taxable if the property had been privately owned. This option shall be available for one (1) year. However, said property owner shall, within thirty (30) days, begin payment in amounts not less than one-twelfth (one-twelfth) of the total. The City Treasurer is hereby authorized and directed to establish accounts to accommodate this option.

A. Should the aforementioned descendant fail to avail himself of this option the City shall proceed to dispose of said property according to conventional methods.

BE IT FINALLY RESOLVED: That the bid be conducted according to rules and regulations covering all other bids customarily let by the City of Romulus.

Roll call vote showing: Ayes - Martin, Oakley, Raspberry, McAnally, Lee, Block, Canejo. Nays - None. Motion carried unanimously.

BLOCK EXCUSED

76-774
Motion by McAnally, supported by Lee, pursuant to Resolution 76-742 and Section 6.9 of the City Charter, I move that the City Attorney, Robert Reese, be provided with all documents, letters and papers relative to loans and withdrawals from the employees pension retirement fund prior to termination of employees; that the City Attorney review and submit an opinion in writing telling if there has been any violation of the City Charter, insurance company policy or manual, state or federal law regulating pension and retirement funds. Roll call vote showing: Ayes - McAnally, Lee, Raspberry, Martin, Canejo. Nays - Oakley. Motion carried.

Motion by Martin, supported by Lee, to adjourn the meeting. Roll call vote showing: Ayes - Martin, Oakley, Raspberry, McAnally, Lee, Canejo. Nays - None. Motion carried unanimously.

Respectfully submitted,
Leonard J. Folmar, Clerk
City of Romulus

I, Leonard J. Folmar, Clerk of the City of Romulus, do hereby certify that the foregoing is a true copy of the minutes of the Regular Meeting of the Romulus City Council held at the 3rd day of November, 1976.

School cafeterias prepare annual Thanksgiving menu

Students in the Van Buren and Lincoln Consolidated School districts will be enjoying a 4-day weekend next week in observance of Thanksgiving Day, but the cafeterias have a full lineup for the three days that school will be in session.

In the Van Buren elementary schools, the menu Monday will be juice, hamburgers on buns, french fries, fruit cookies and milk, with the traditional Thanksgiving dinner slated for Tuesday.

That meal will consist of helpings of roast turkey in gravy over mashed potatoes and dressing,

cranberry sauces, vegetable, bread and butter, cake and milk, with a lineup of soup, pizza, salad, or vegetable, pudding and milk on tap for next Wednesday.

In the junior high schools, the menu Monday will be beef turnovers, mashed potatoes and gravy, vegetable, fruit, cookies and milk, with a Thanksgiving dinner of roast turkey with dressing, mashed potatoes, with gravy, cranberry sauce, pie, vegetable, bread and butter and milk slated for Tuesday.

Next Wednesday bill of fare will be ravioli with cheese in tomato sauce, with side dishes of tossed salads,

bread and butter, Fruit Jell-O, cake and milk.

The alternate menu will be Coney Island foot-logs Monday, hot ham and cheese sandwiches Tuesday and Belleville burgers next Wednesday, with side dishes of french fries or tator gems, dessert and milk.

In the Early Elementary School of the Lincoln Consolidated School District, the menu Monday will be tomato soup, toasted cheese sandwiches, relishes, cookies and milk, followed by cook's choice on Tuesday and the annual Thanksgiving meal next Wednesday.

Huron High offers testing for equivalency certificate

The Huron School District once again will be administering the GED, or high school equivalency examination, which makes it

possible for men and women who have left school without receiving their diplomas to receive an equivalency certificate.

Huron High School also will give credits towards actual high school diplomas upon successful completion of the examination.

Testing began this week and will continue tonight from 6 to 10 p.m. The test is free to individuals enrolled in the program.

For further information on the testing contact Roger Benner at 782-2441 between the hours of 8 a.m. and 4 p.m., or Chris Fields at 782-1505 Monday, Wednesday and Friday between the hours of 9 a.m. and 1 p.m. or every day except Friday from 2 to 10 p.m.

Church hosts fair

Trinity Episcopal Church, on Belleville Road just south of I-94 expressway, is holding its annual bazaar today.

In addition to several booths, all-

day browsing is planned as well as lunch from 11 a.m. to 1:30 p.m. and dinner from 5 to 7 p.m.

Free nursery service will be provided for the younger children.

The Episcopal Christian Women's Club of the church has been busy creating the diverse bazaar booths. Included in the number will be the Country Store, Holiday Shop, the new Kiddie Korner, Garden Shop, Stitch Shop, Second-hand Rose Shop, Village Bakery and the Raffle Corner.

Hot dogs and soup will be served for lunch while dinner will consist of lasagna, salad and dessert.

Glenn's 1976 football team 'perfect'

Westlanders finish season with 22-7 win over Wayne

By TOM MOORADIAN
Sports Editor

Perfection is defined by Webster as "an unsurpassable degree of accuracy and excellence."

And those adjectives describe the 1976 Westland John Glenn football team which was "unsurpassed" by any of its peers this year.

Glenn rolled to its ninth consecutive victory Friday night, beating arch-rival Wayne Memorial 22-7 before 5,000 freezing and shivering fans to end the season undefeated.

It was the first time in the 12-year history of the Westland-based high school that a football team had completed the season with a perfect record.

It also was the first time since 1958 that Wayne School District produced an unbeaten football team.

"We're proud of these kids," said head Coach Jerry Lutri, who brought the curtains down on his first season as head coach. "They worked hard and the results are there."

"And we're also thankful for the support the school and our fans gave us during the season."

One prize did elude Glenn,

Sports

however. Despite its untarnished 9-0 record, the Rockets weren't awarded the Region II playoff berth which went to Farmington Harrison. Harrison will represent the region in the Michigan High School Athletic Association semi-final round to be staged Saturday in Wisner Stadium in Pontiac.

Wayne Memorial head coach Floyd Carter praised Glenn after the Zebras' loss.

"They have a fine football team, as good as any I have seen," Carter said. "Any team that goes 9-0 deserves a lot of credit."

"I also felt that our kids played very well," Carter added. "We did everything - blocked well, certainly moved the ball but a couple of penalties here and there killed us."

One of those crucial penalties Friday night hit Wayne in the third quarter after the Zebras had reached the Rocket one yard line. Two plays later, Wayne lost 41 yards

thanks to a 16-yard absent mouth-piece infraction and a soccer-like fumble which eluded a score of players which Wayne recovered on its own 42-yard line.

Glenn wasted little time getting on the scoreboard in the first quarter. The Rockets, guided by quarterback Bill Lee, launched their attack after Cliff Williamson's 20-yard kickoff return to the Rocket 41.

Eleven plays later, which included a 15-yard pass completion from Lee to Jerry Cook, Jeff Preston scored from two yards out.

With less than five minutes elapsed, Glenn had a 6-0 lead. Rick Grabowski tried for the extra point and missed.

After an exchange of punts in the same quarter, Wayne made its first overtures to score as running back Tim Clark got the call five of the six last plays, moving the ball to the Glenn 24 where a penalty stalled the

'We're No. 1'

Flashing the, "We're No. 1 sign", and holding the Wayne Jaycees' Annual Football Classic Trophy up high, Westland John Glenn gridders gather for a victory pose after turning back arch-rival Wayne Memorial 22-7 before 5,000 freezing football fans Friday night. The victory

sealed a perfect 9-0 record for Coach Jerry Lutri's Rockets and it was the first time in the school's history that an athletic team had ever finished undefeated. The trophy presentation was made by Tom McKay, at right, who represented the Wayne Jaycees.

Turning the tide

Coming up with a touchdown-saving tackle is John Glenn's Mike Holton (33) who stops Wayne's Tim Clark (20) six inches short of the Rocket goal line in Friday's confrontation. The play turned the game around for

the Westlanders as Wayne wound up on the 41-yard line two plays later due to penalty and a soccer-like fumble. Glenn went on to win 22-7 to end the season "perfect".

Livonia Churchill gives unbeaten Spartans a scare

By TOM MOORADIAN
Sports Editor

Livonia Churchill waited for its last game to play its best game of the 1976 football season.

Coach Ken Kaestner's minions gave undefeated and playoff-seeking cross-town rival, Stevenson, a scare before bowing 7-6 Friday afternoon.

Stevenson, which failed to get the nod for the Region 2 playoff berth when Farmington Harrison beat Plymouth Salem, ran its string of victories to nine on the year.

"Our kids played well against them (Stevenson)," Kaestner said which could be considered the understatement of the 1976 season. "We just waited for our last game to play our best game."

The loss left Churchill with an over-all 2-7 record.

Kaestner pointed out that "the

season was a frustrating one in that we could have done better and didn't. We had only a small core of seniors who played well, however, we used a lot of sophomores and they're going to make mistakes."

But Churchill looked flawless against the undefeated Spartans who struck with a first quarter touchdown, then were held scoreless, the rest of the game.

Stevenson appeared as if it would put the decision away early as it took the opening kickoff and marched 55-yards in nine plays and scored on Chuck DeMarco's 10-yard and around run.

Mike Burton kicked what proved to be winning extra point.

Churchill waited until midway in the third quarter to get its only touchdown. The Chargers pulled it off on a double reverse with

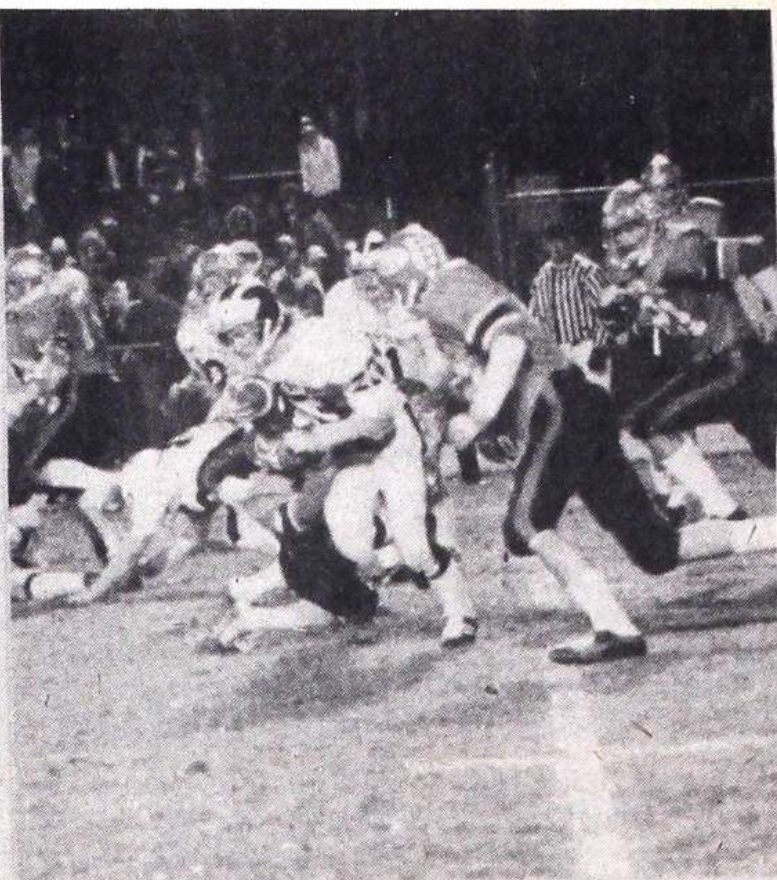

quarterback Ron Nutter eventually passing 18-yards to Mike Malik for the six-pointer.

The Chargers went for the equalizer but Steve Barton blocked Chris Clegg's conversion attempt.

Churchill had other chances it didn't cash in on: in the third quarter Tim Curran recovered a Stevenson fumble on the 22-yard line but the Chargers couldn't move and surrendered the ball on a fourth-down interception.

Then, in the fourth quarter the Chargers moved to inside the Spartans 20-yard line where the drive fizzled.

Stevenson took over and controlled the last six minutes of the game as it drove from its 13-yard line to the Churchill one-yard line where DeMarco was stopped on the last play of the game.

Huron ends grid year in victory

New Boston Huron waited until the last game to put on its best football show of the 1976 season.

Coach Tom LaBeau's Chiefs buried Woodhaven 34-0 to bring the curtains down on the year with a 2-7 record.

"This was definitely our best game of the year," LaBeau said. "And it's always good to end the year on a winning note."

Craig Beattie wound up his prep football career by scoring two of Huron's five touchdowns. The senior quarterback dashed into Woodhaven's endzone from the two and the 13 to stake the winners to a 14-0 first quarter lead.

Beattie also hooked up with Kurt Schultz on a 13-yard scoring pass while Craig Smith and Dave Gordon accounted for the other two Huron touchdowns.

Randy Pichan connected on four of five extra point conversion kicks.

Smith, a sophomore, became the second player in Huron history to rush for 500 or more yards in one season. The 16-year-old sophomore compiled 150-yards against Woodhaven to bring his yearly output to 522.

"We're going to lose a good crop of seniors," LaBeau added, "and we wanted to win this one as a going away present."

Cherry Hill takes its lumps, loses to Clarenceville, 54-14

Though they took their lumps — including a 54-14 shellacking Friday night at Clarenceville — Cherry Hill and head football Coach Jerry Pawloski viewed the season "as a turning point for our program."

"The future will be better," Pawloski predicted. "We had 31 players on our roster at the end of the season as compared to only 21 a year ago and the attitude has completely changed for the good."

"We knew this was going to be a rebuilding year for us," Pawloski

continued, "and we took our lumps. But, I'm really optimistic about our chances in 1977."

The season-ending loss left the Spartans with a 1-8 record for the season.

Clarenceville, the runner-up in the Metro-West Conference, built up 24-0 and 32-8 leads after the first two quarters.

Cherry Hill got on the scoreboard midway in the second quarter when Tom Minor dashed off tackle and raced 38-yards for a touchdown.

Tom's older brother, Mike, scored the two-point conversion after taking a pitchout from quarterback Scotty Dawson.

Cherry Hill scored its final TD of the season in the third quarter on Dawson's one-yard quarterback sneak. That touchdown capped a 56-yard, eight play drive which included a 25-yard gain by Mike Minor.

"We looked decent until the second half," noted Pawloski, "then the roof fell in on us."

The Smart way

With a couple of John Glenn gridders on his tail, Wayne Memorial slotback Jerry Smart (white jersey) sees open territory in Friday's confrontation between the two Wayne-Westland Community School

District high school teams. Smart averaged 4.0 yards per carry, but it wasn't enough as the Westlanders brought the curtains down to a perfect season (9-0) with an impressive 22-7 victory.

Romulus bows out a 50-8 loser

Romulus ran up against a strong Taylor Truman football team Friday and fell 50-8 in the season's finale for both teams.

"They were just too big for us to handle," said Romulus Coach Tom Baldwin who rounded out his third season as head coach with a 3-6 won-lost record.

"We were missing four seniors from our lineup, however, that doesn't distract from the fact that Truman is a real solid football team."

Truman, representing the Great Lakes 8 Conference, struck for two touchdowns in each of the first two quarters, piling up a 28-0 halftime advantage. Romulus was never really in the ball game after the initial half.

The Eagles averted the shutout in the fourth quarter when Richard Lewis, a sophomore, capped a 62-yard sustained drive with a 12-yard touchdown run. Lewis also accounted for the two-point conversion.

"The one bright spot," remarked Lewis, "is that we a flock of sophomores and juniors on this team and they'll be back with us."

Lewis, who didn't start the season, finished his sophomore year with 364 yards rushing. The Eagles will also have sophomore Kelly Summerfield, who quarterbacked the team and wingback Chuck Burch returning to their lineup a year from now.

Wayne, Glenn cage teams to launch season Tuesday

Don't look now, fans, but the high school basketball season begins in the area Tuesday night.

Wayne Memorial and Westland John Glenn begin shooting with Wayne hosting perennial powerhouse Garden City West while Glenn takes on Taylor Kennedy.

Wayne's Bill Hawley has three starters off of last year's squad which finished with a .500 record (7-7) in the tough Great Lakes 8

Conference. The returnees include senior guards Tim Couch (5-8) and Mike Singleton (6-2) at forward.

Also back is Bill Crew who earned All-Area consideration a year ago. He's 6-4.

"I definitely feel we're a serious contender for the conference championship, but a lot depends on how soon our team matures. We have some promising talent."

Another question mark will be how quick 6-3 senior Pat Bledsoe

refines his football muscles for basketball.

Wayne has size in inexperienced 6-7 center Tom Glass and also talent in griddy Mike Plungis, a 6-4 senior also scheduled to handle the pivot chores.

Hawley will get some answers to his question Saturday when the Zebras take part in a three-way scrimmage involving Ann Arbor St. Thomas and Divine Child.

Schoolcraft volleyball clinics slated Nov. 19-20

Schoolcraft College will hold volleyball clinics for coaches and players on November 19 and 20.

Both clinics will feature Schoolcraft women's volleyball team coach Mike O'Toole and United States national men's volleyball coach Mike Haley.

Haley's credits include coach of the United States touring team against the Peoples Republic of China; member of the United States Volleyball Association Board of Director for and Educational Foundation; coach at Kellogg Community College and Program Director for United States Summer Olympics Developmental Camps.

The Coaches Volleyball Clinic is scheduled from 7 to 10 p.m. on Friday, November 19. Activities planned include review of the Olympics for coaches, Olympic films, review of techniques for coaches with participation and team techniques.

A \$4 charge includes coffee and donuts. Those wishing to actively participate should bring gym clothing.

A Developmental Volleyball Clinic is scheduled from 9 a.m. to 3:30 p.m. on Saturday, November 20.

This clinic is designed for volleyball players, physical education students, teachers and

coaches from secondary schools, four-year and community colleges, parks and recreation, YWCA and YMCA staff. Complete volleyball techniques will be covered.

A \$5 charge includes coffee, milk and donuts. Participants should provide their own sack lunch and, if wishing to actively participate, should bring gym clothing.

Further information may be obtained by calling Dr. Marvin Gans, Schoolcraft director of physical education and athletics at 591-6400, extension 403. The College is located at 18600 Haggerty Road in Livonia.

It's four hours to Columbus

Wolverine football fans traveling to Columbus, Ohio, Saturday for the University of Michigan-Ohio State game should allow at least four hours driving time from Southeast Michigan to the Ohio State campus, according to Automobile Club of Michigan.

Columbus is 208 miles south of

Detroit and 191 miles from Ann Arbor. Ann Arbor residents can travel US-23 south to the junction with I-475 which joins I-75 south of Toledo.

From there, travel to Findlay, where Ohio-15 joins US-23, and continue south via I-270 and I-71.

Detroiters can connect with Ohio-15 by taking the Fisher Freeway (I-75).

To reach the stadium in Columbus, exit I-71 at Hudson Street, go west to High Street and then south to the intersection of High and Lake Avenue. Parking is available in the stadium area.

Sparks, Spokes set date

With two All-American cagers in their lineup, the Detroit Sparks will entertain the Springfield Spoke Jockeys at Wayne Memorial on Nov. 27.

The game, sponsored by the Wayne Jaycees priced at \$1.50.

Denver Branum and Bud Rumble, both from Wayne, have earned All-American recognition as members of the Sparks' team.

The two teams will play in wheelchairs.

The rush is on

Plymouth Canton's Jerry Simon (33) is looking for some running room as Dearborn's Greg Ervin (63) closes in. Simon and his teammates didn't get far against the powerful

Pioneers who mauled the Chiefs 27-0 in the season's finale for both teams. The loss dipped Canton's over-all record to 2-7 on the year.

Glenn grid team has perfect year

drive momentarily.
As the initial quarter ended, Wayne was on the Glenn 34, facing a second down and 19 situation. On the first play of the second quarter, quarterback Pat Bledsoe fired an incomplete pass.

Then, on the third down, Bledsoe teamed up with Keith Johnson on a 34-yard touchdown pass that tied the score at 6-all. Mike Paz' kick for the extra point was good and the Zebras had the lead 7-6 with 11:47 on the clock.

Seven minutes later the Westlanders were in command again.

Williamson picked off a deflected Wayne pass at the Zebras' 43-yard

line and the Rockets drove the rest of the way on rushes by Lee, Mike Holton and a 13-yard pass completion from the junior quarterback to Mark Scibiorki.

At the Wayne 10, Cook, then Preston tried the Wayne line but couldn't dent it, then Lee fired a pass to Williamson in the end zone for the Rockets' second TD.

Lee went for the two-point conversion and was stopped short, but Glenn had the lead — this time for good — 12-7.

The Westlanders increased the margin with less than two seconds left in the half when Grabowski connected on a 32-yard field goal, giving the Rockets a 15-7 halftime edge.

Dearborn shuts out Chiefs

Wayne, a second half team early in the season when it strung together five straight wins, played that role Friday night as the Zebras marched the kickoff to the Glenn six-inches line but failed to punch it over.

Rick Gagnon took the kickoff to the Wayne 40-yard line where Johnson and Bledsoe again teamed up on a key pass which moved the Zebras to the Glenn 18.

Bledsoe then ripped off seven yards and Clark got to the one. Glenn's defense was ready as Holton grabbed a leaping Clark and stopped him at the line of scrimmage on the next play. Then, Wayne was hit with a 15-yard penalty and, at the 16, Wayne fumbled. The slippery ball eluded several players before Wayne recovered on the 41.

Wayne gave up the ball via a punt and Glenn was out of danger.

Glenn scored an insurance touchdown in the fourth quarter on a 47-yard pass play with Lee tossing to Scibiorki. Grabowski got the extra point.

The Glenn victory also returned the coveted Wayne Jaycees' Annual Football Classic Trophy to the Westland high school's display case where it has been for the past two years.

Wayne won the first three meetings in the series while Glenn has taken the last three. Next year's confrontation will break the deadlock.

Wayne gal wins saddle horse award

The American Saddle Horse Association's recipient of its 1976 Hi-Point Junior Championship Award went to a Wayne 13-year-old Wayneite last week.

Sherry Ann Hannon, who lives at 2430 Hannon Rd., on her outstanding mounts "Merrywill's Mister Boo" and "Society's Choice" competed successfully at the most competitive horse shows in the State of Michigan.

Sherry also showed "Mister Boo" to the 1976 Michigan Horse Show Assn. Juvenile Saddlebred Pleasure Reserve Championship as well as to the 1976 Versatility Championship.

Sherry and "Society's Choice" are the Michigan Horse Show Assn. Saddleseat Equitation 13 and under Champion as well as the Michigan Horse Show Stock Seat Equitation Champion.

The American Saddle Horse Association of Michigan Championship is designed to award the exhibitor who has actively contributed to the exposure of the American Saddle Horse in his performance division in the State of Michigan as well as to award excellence of that performance.

Disappointing (6-3) season?

By TOM MOORADIAN
Sports Editor

It is disappointing when your team is lifted off the Class A state and Northwest Suburban Conference football throne.

But, Livonia Franklin Coach Armand Vigna whose team won both titles last year, has one consolation: "The three teams that beat us this season - Midland Dow, Livonia Stevenson and Westland John Glenn - all went undefeated.

"You got to be a bit disappointed when you lose," Vigna continued after the Patriots buried cross-town rival Bentley 27-12 in their season's final. "But, when you lose to teams

that have the caliber of players as Stevenson, Glenn and Dow did, it eases the pain somewhat."

Vigna rounded out his second year as the Patriots' head coach with a 6-3 won-lost record.

Franklin had its usual problems shaking the stubborn Bulldogs in the first half. The Patriots broke a scoreless first quarter deadlock with 3:29 left in the half as quarterback Dave Wilson connected on a 11-yard touchdown pass to tight end Mike Kaseta.

That touchdown culminated a 61-yard, 11-play drive.

Franklin increased the margin to 7-0 with Ken Scarpace's extra-point kick. Scarpace booted three of four

conversions for the game.

But Bentley came right back. The Bulldogs marched from their own 32-yard line, 68-yards in nine plays and scored with 28 seconds to spare on a one-yard quarterback sneak by Kevin Schneider.

Bentley's conversion attempt missed the target.

The Patriots pulled away in the third quarter as they took the opening kickoff and rammed it into the Bulldog end zone after a 67-yard sustained drive with runningback Phil Yuhasz scoring from two-yards out.

Scarpace lifted the Patriots to a 14-6 lead with the conversion. That left 6:16 in the quarter.

Franklin put an insurance TD on the scoreboard early in the final quarter of the season when Larry Acton went up-the-middle, got some excellent blocking from Yuhasz and Scarpace, broke for the sidelines and raced 35-yards for a touchdown. Scarpace again provided the extra point.

Bentley responded with its final touchdown of the year that it pulled off after the ensuing kickoff thanks to a 13-play, 70-yard drive that ended with Schneider's six-yard sprint into the over the Patriot goal line.

In the closing minutes, Franklin's Gordie Wheeler intercepted a Schneider pass and ran it back 40-yards for a touchdown.

"I was really afraid that we would come up flat against them," Vigna said, "however, our boys played their best offensive game of the season.

Yuhasz rushed for 99 yards, including a touchdown, in 17 carries, while Acton accounted for 85 yards in 10 tries and junior Nate Kean, who replaced Acton in the second quarter after the senior runningback was injured, picked up 65-yards.

Acton, before sidelined with the injury, played an excellent defensive ball game as his Ron Kroll, the Patriots' middle linebacker.

Franklin had the edge in first downs 16-9 and total yardage 336-198. Davis hit on three of seven passes for 29 while Schneider was on target for eight of 19 passes for 77 yards.

Both teams were intercepted once and the Patriots fumbled three times, losing the ball on two occasions. Franklin was caught with six infractions for 38 yards as compared to Bentley's eight penalties for 51 yards.

Wayne girls' swim team shoots for league title

Unbeaten in the Great Lakes 8 Conference, Wayne Memorial will place its conference swimming title on the block when the eight-league teams meet Friday and Saturday.

Wyandotte Roosevelt will host the conference meet which gets

underway 5 p.m. on Friday with preliminaries. The finals are scheduled for 2 p.m. on Saturday.

Coach Jim McPartlin's girls' swim team picked up its seventh straight league victory at the expense of Taylor Truman, 99-73 last week.

Huron blasts Woodhaven, 34-0

(Continued from Page B-2)

Huron will lose, through graduation, Beattie, wide receiver Jeff Stoker and co-captain Bob Diedrich, a guard.

Huron's defense held Woodhaven to 14-yards on the ground and when

"I feel our main challenger at the league meet will be Fordson, which is 6-1 on the league year," McPartlin said. "We're going to have to swim will to keep ahead of them and any other team."

Admission to the finals will cost fans \$1.

the losers attempted to go to the air, Greg Hinojosa, who picked off two passes, was there. Beattie also intercepted one pass. "Our defense did one heck of a job on them," La Beau noted. "When you hold a team to 14 yards rushing, you know the defense had gotten the job done."

GEORGE LOVICH
'Mr. X'

Mister 'X' takes off his mask

Now that the high school football season is over for area teams, the mask can be lifted from our "Mister X", the mysterious panelist who never picked against Livonia Franklin.

And for good reason. The man hiding behind the "X" was none other than George Lovich, Franklin High's athletic director.

Lovich did quite well during the 1976 season as he correctly predicted the outcome of 69 games while missing 21. Lovich's 69-21 record gave him a share of top honors with our-man-in Belleville, Bert Osterberg, and sports editor Tom Mooradian.

Eagle editor Bob Cochran, making his debut on the Panel, also fared well as he was two shy of joining the winners, while Sue McDonald, the only woman on the Panel, finished next (59-31).

Greg Morrison, the busy advertising manager, and Jim Bradley, who joined the Panel late, finished with 54-36 and 42-8 records, respectively.

And, now, the crystal ball returns to our safe until next fall when we will be back with our weekly feature.

Belleville loses thriller to Ypsilanti

Stokes: 'This is our finest football team'

BY TOM MOORADIAN
Sports Editor

Belleville High's football team ended the 1976 season the way it began - with a cliffhanger.

Coach Pat Stokes' Tigers bowed in overtime to Wayne in their debut and, Friday night, kept their fans on edge before losing another thriller 20-18, this time to arch-rival, Ypsilanti, in the season's finale.

"We could have won it as easily as they did," said Stokes who finished his sophomore year as head coach with a 5-4 record. "This is the best team, the best people we have been associated with and it was too bad we had to lose."

"We had a lot of seniors on this squad and we wanted them to end their prep careers with a victory," Stokes continued.

Belleville drew first blood.

After an exchange of fumbles in the first quarter, Belleville's Charles Howard stopped a Ypsi drive when he intercepted on the Tiger 19-yard line.

Belleville gave up the ball via a punt to the Ypsi 45-yard line and quarterback Scott Davis engineered a drive that was five-yards short of a Ypsi touchdown. Davis was tackled on a fourth down and goal situation for a huge loss and Belleville took over on its own 16-yard line.

Belleville quarterback Tom Laine then engineered an 84-yard, 10-play drive which was capped by Kevin Barnes' 17-yard touchdown run. A bad snap fooled the Tigers' point after attempt.

Ypsilanti came right back and tied up the score. The Braves got the

ensuing kickoff on their 33-yard line and 10-plays later Davis connected on a 11-yard touchdown pass to Rodney Holman.

The visitors failed to get the lead point when the point-after kick was wide of the uprights.

A rash of penalties marred the second quarter and neither team managed to break the deadlock in the third quarter. However, Belleville did threaten in the second period when Tony Turrentine recovered a fumble at the Tiger 46-yard line and Laine, using runningbacks Barnes and Kelvin Patterson, moved to the Braves' nine in six plays before he surrendered the ball on downs.

Ypsilanti had possession of the ball for only three plays in the third

quarter as Belleville again came within six-yards of earning its second TD of the game.

On the first play from scrimmage in the fourth quarter, the Tiger broke the stalemate when Laine found wide receiver Roy Ruthford in the endzone for a 11-yard touchdown pass.

Belleville's attempt for the two-point conversion was stopped short.

Ypsilanti scored the tying touchdown and the go-ahead point after the ensuing kickoff which the Braves put in play on their own 44-yard line. They marched to the nine where John Madigan broke loose and went in to score.

Dave Wallace's successful kick gave the Braves the lead for the first time in the game.

Ypsilanti scored an insurance TD late in the quarter when it took over on the Tiger 36-yard line after a punt which resulted in a Belleville penalty. Three plays later Dave Scott crossed the Tiger goal line from nine-yards out and Wallace made good on the conversion.

Belleville's Barnes made an excellent return of the ensuing kickoff and the Tigers marched from their own 44-yard line to the Braves' 11 in 11-plays. Laine scored on an option from nine-yards out, cutting the Ypsilanti lead 20-18.

However, Barnes was cut down inches short in his bid for the two-point conversion.

Belleville's Rich Dapsi then recovered an onside kick, but the officials washed out the play because of an infraction and Ypsi

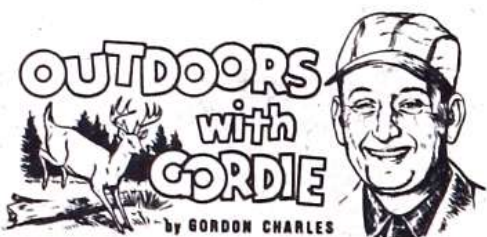

received possession of the ball with 1:20 and ate up the rest of the time.

Barnes ended his prep grid career with 176 of the Tigers' 346 total yards. He had 24 carries. Runningmate Patterson picked up 85 yards in 22 tries.

Rutherford caught three passes for 41 yards and one touchdown while Turrentine again stood out defensively, accounting for eight solos and four assists.

Belleville lost the battle of first downs, 14-12, but had the edge in total yardage 346 to 287. Laine hit on four of 10 passes for 51 yards, the Braves made good on two of six tosses for 47 and were intercepted once.

The Tigers also suffered 125 yards in penalties (11 of them) as compared to Ypsilanti's seven infractions for 85 yards.

Why are some hunters always successful on deer while others very seldom connect? Sure, luck has something to do with it but the best hunters tend to make their own brand of luck, with much of it before the season starts.

Knowing where you will hunt, well before the season opens, is very important. This includes advance reservations for a motel and meals or arrangements for staying at a regular deer camp with your friends near where you will be hunting. Setting up camp with a tent trailer or pickup camper the night before season opens in strange country is positively the wrong way to start a hunt.

Checking your hunting gear is very important. Got your deer license? Silly as it sounds, a lot of hunters forget that detail. Hunting boots, pants, coat, gloves, knife and rifle all deserve a prior checkup, as do a variety of other items most hunters carry with them.

Rifle sights have a mysterious way of getting out of alignment during the off-season. Going hunting without checking yours can be plenty risky since you will never be sure where your rifle is really shooting. Sight it in from a bench rest if at all possible. If you can plunk the lead into the bullseye at 100 yards, you will be all set, no matter what caliber you shoot. Few shots at Michigan deer are farther than that, with most much closer so you will be accurate.

Good hunters periodically practice picking up the rifle during the off-season to swing smoothly to the shoulder and get right on target. This can enable you to handle most any woodland situation where time may be a factor.

Also practice cocking and uncocking your rifle if it is one with a hammer or a noisy safety. With a little forethought this can be done quietly. Otherwise, that normally insignificant little click can echo down through a deer woods with surprising volume and perhaps alarm a trophy buck.

If hunting with a group on deer drives, choose a leader and follow his instructions. When put on a stand, stay there and don't go wandering off since that can waste a lot of time while the rest of the group hunts for you.

Some hunters prefer still-hunting. With this method, you move as slowly and silently as possible, pausing often to look carefully in every direction.

Pay attention to details and improve your "luck" on whitetails.

KITZE

All-Area harrier injured

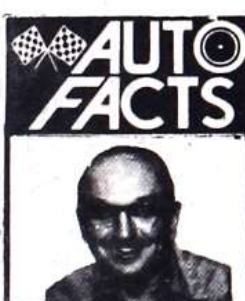

Former All-Area harrier Art Kitze closed out his second season recently as member of Hillsdale's cross country team.

Though he had success in the early phase of the season, Kitze was sidelined late in the campaign with an injury. However, he placed fourth in the Olivet Rotary Club's 20 kilometer run with a 70:52 or 5:40.1 per mile.

Later Kitze finished 84th at the prestigious Eastern Michigan University Open with a 28:05 clocking for the five miles.

Injuries prevented him for taking part in Hillsdale's title drive in the NAIA District 23 meet. It was the fourth straight year that the Chargers had won the championship.

Despite discouraging setbacks, Kitze is looking forward to Hillsdale's indoor track season which will begin next month.

The first Olds-mobile was designed as an economy car by automotive pioneer Ransom E. Olds, after his earlier steam cars and electric cars failed to catch on. This car was a great little addition to any family, with a curved dash, two seats, and a dependable one-cylinder engine that delivered three horsepower. The car sold for about \$650.00, about half the price of its competitors, and sales zoomed from 425 in 1901, to a huge 6,500 in 1905. Its last year, Olds discontinued the car, to work on larger and more expensive designs.

If you prefer a foreign car, you'll find all the parts and accessories you need to keep it running smoothly at KOSIN'S AUTO PARTS, 26831 Michigan, Inkster! We also handle a full line of high-performance parts for domestic cars. As specialists in all types of foreign parts, we handle parts for Datsun, Toyota, Fiat, Opel, Volkswagen, and others. Our friendly counter personnel will be happy to help you select the proper parts for your car—foreign or domestic. We also carry a full line of automotive tools. Ask about our complete machine shop service! Call us at 563-3894. We are open weekdays from 8 A.M. until 8 P.M., and on Saturdays until 5 P.M. AUTO TIP: The bearings on the front wheels should be cleaned and packed with grease at about 30,000 mile intervals.

"They work hard for us 24 hours a day, 365 days a year!"

"We get five or six calls daily inquiring about information in our leasing ad?"

We're firm believers in the Yellow Pages. They work hard for us 24 hours a day, 365 days per year, and you can't beat that for advertising efficiency."

—Duane E. MacLeod, Fred Drendall Lincoln-Mercury, Inc., Oakland Ave., Pontiac.

Other Yellow Pages Advertisers are getting these results:

"Well over 50% of our inquiries are the result of our Yellow Pages advertising."

We have advertised with a sizeable display ad in the East and North Woodward area Yellow Pages directories for so many years because we believe the Yellow Pages is the best source of advertising there is. It's the first place people look."—Terry W. Griffin, Timberland Hall, Dequindre Rd., Madison Heights.

"Our family has been in the Yellow Pages continuously for more than 50 years."

We've expanded our jewelry firm to three locations from the original one we had when my dad started the business so many years ago. Since then the Yellow Pages has brought us a lot of customers and has paid for our advertising many times over."

—Stuart A. Green, M. L. Green and Son, N. Gratiot, Mt. Clemens.

"We keep tabs on the phone inquiries we receive. Over 35% come directly from our Yellow Pages advertising."

Since we began, we have increased the size of our Yellow Pages display ad from a quarter-column to a quarter page. Because time and experience have proven to us the value of Yellow Pages advertising, we wouldn't be without it!"—Mrs. Shirley Gray, The Rivergate Terrace, Pennsylvania Rd., Riverview.

Taste Barrier Broken.

'Enriched Flavor'™ breakthrough ends struggle to bring taste to low tar smoking.

For years, dependency on tar for taste has created a taste barrier for low tar smoking.

Now that barrier has been broken. Broken for good by a remarkable new cigarette called MERIT.

MERIT is packed with 'Enriched Flavor' tobacco.

The result of a radical new discovery so successful at boosting flavor, MERIT actually delivers the taste of cigarettes having more tar.

Up to 60% more tar.
Yet MERIT has only 9 mg. of tar. One of the

lowest tar levels in smoking today.

Tests Verify Taste

MERIT was taste-tested against current leading low tar brands ranging from 11 mg. to 15 mg. tar.

Thousands of smokers were involved. The majority report: *even if the cigarette tested had up to 60% more tar than MERIT, MERIT still delivered as much—or more—taste.*

You've been smoking "low tar, good taste" claims long enough.

Now smoke the cigarette.

Classified Ads!

It's a great time to visit new places, do new things... and Classified Ads bring you the extra dollars that make it all possible!

Here's how: If you're like most families, you have all kinds of moneymakers gathering dust around your home. That TV set you no longer use (if it's in good condition) is a moneymaker... camping equipment, your extra set of golf clubs, record player, patio furniture and much more.

Make up your own list of good things you'd like to turn into cash. Then dial (Phone) and let the friendly Ad Writer who answers help you word your ad for quickest results at the least cost... a (0) word/line ad is only (\$0) per day on the special (0) day plan.

Start after the money waiting for you today!
